Notes

8 “ about once a day a fire alarm goes off for 10 or so minutes and it's very annoying when it happens to turn on during the night. ” by Anna Miller
-6

0 “ Theres homeless coming in and out of the community and I heard there are squatters living in a unit by the pool when you enter the gate. Someone break into my nieghbor's car on easter Sunday. Last month We caught someone trying to open my other nieghbor's car (she has red hair and she looks like shes on drugs). When she was confronted she said she thought it was her bf's car and she lives in the other side of the community. Why would her bf park there if they live in the other side of the complex? The next day, I went for my afternoon walk and I saw a couple (same girl) with thier bikes. And then I saw them stopped at my nieghbor's (different one) unit and I notice there were amazon boxes, so I pretended to call my nieghbor, then they started walking away. What about happen amber hills?? This place

feedback

was so peaceful, and now we have no security and you guys are not doing anything about it. ”
by J

6 “ I had no idea what was going to
-6 happen when I wrote the above but
now that I know I would like to say
that I live in Amber Hills II, Las Vegas, NV
89148. We are having problems with our
security guard and the HOA refuses to let him
go, along with the company he works for as
they are threatened by the HOA that they will
drop their contract if they take him off
property. He chastises people and calls them
names, stupid, illiterate, faggats, trash and
many, many, many more names. ” by Deanna
Watson

5 “ Its nice during the day, however at
-6 night there is a group of loud
people. Now that the pool is open,
its worse. It is almost midnight on a Sunday
night, and these people are all but screaming.
Shouldnt there be security walking around? ”
by Cara

10 “ This is a condo community and
-11 my retirement home. I do my best
to make sure that it is kept up and
safe. The management company that we have
is not good and does not do their job. Our
community is going down hill and people are
selling their units to find a nice place to live. ”
by Deanna Watson

9 “ Unit 107 ” by Deanna Watson
