-8 “ On Monday night we let our dogs out and only one came back. We searched for him in the dark but couldn't locate him. Early the next morning unfortunately we found him mauled in the back corner of our yard. Either a coyote or a mountain lion got him. I back to the Cozy Hill Park so if you live nearby please be extra diligent with your pets and children, especially at dawn and dusk. ” by Amber Aiello

-12 “ The little park off of Cozy Hill is grossly over watered. It's scheduled for several times a day for several hours all the way into the nigh time Last night at 9:00 p.m water from the sprinklers was shooting over the wall onto mine and my neighbors patios soaking them and my ping pong table. We thought it had rained! Please fix this! ” by Amber Aiello

swamp. Presently it was watered last Thursday, Saturday and again Tuesday for about three hours each occasion. On watering days the grass is almost a swamp all evening. This is a gross overuse of a precious resource and also make the park unusable. Please do what you can about this situation or let me know who can help. Thanks. ” by Cecil Morgan
