5 -5	“ I live at 2029 wandering doe lane in IndianHills. I'm concerned about a tree on my neighbor's property that borders mine. He's apparently an investor never see him to talk to him. All previous owners kept the tree trimmed, but the new owner's landscaper's never touch it. In the fall, most of the leaves end up on my yard. How can this be resolved? I appreciate your help. ” by Ray Scott
