DEVELOPMENT OF THE PROPERTIES:

LAND CLASSIFICATION: ANNEXATION

Section 2.01. The Annexable Area - Subdivision and Development by Declarant.

3 9 0 4 0 3 0 0 2 6 2

Declarant intends that the Properties be developed for residential, apartment and commercial uses consistent with this Master Declaration. In addition, Declarant, at its option, may designate areas for maintenance, recreational or other purposes. As each Planned Development, Condominium Project, Apartment Area or Commercial Area is developed, Declarant or a Participating Builder may, with respect thereto, record one or more Supplemental Declarations which will incorporate this Master Declaration therein by reference, which shall designate the use classifications within the areas affected and which may supplement the Master Declaration with such additional covenants, conditions, restrictions and land uses as Declarant or a Participating Builder may deem appropriate for the "annexed Territory" (as hereinafter defined). The provisions of any Additional or Supplemental Declaration may impose such further or more restrictive conditions, covenants, restrictions, land uses and limitations as Declarant or a Participating Builder may deem advisable, taking into account the particular requirements of each Phase of Development. This Master Declaration shall control in the event of any conflict between any Additional or Supplemental Declaration and the provisions of this Master Declaration, although such documents shall be construed to be consistent with one another to the extent possible. The inclusion in any Additional or Supplemental Declaration of conditions, covenants, land uses and limitations which are more restrictive or more inclusive than the restrictions contained in this Master Declaration shall not be deemed to constitute a conflict with the provisions of this Master Declaration. As each Phase of Development is annexed to the Properties, control over the completed Association Property, if any therein, shall be transferred to the Master Association in accordance with the provisions of this Master Declaration. An Additional Declaration for such Phase of Development may, but need not, provide for the establishment of a Sub-Association, to be comprised of Owners of Lots or Condominiums within the Planned Development or Condominium Project subject thereto. The Supplemental Declaration for a Phase of Development may be incorporated within the Additional Declaration, if any, for such Phase of Development.

Section 2.02. Land Classification.

(a) That certain real property, more particularly described on Exhibit "D" attached hereto, is hereby classified as Residential Area. That certain real property, more particularly described on Exhibit "A" attached hereto, is hereby classified as Apartment Area. That certain real property, more particularly described on Exhibit "B" attached hereto, is hereby classified as Commercial Area.

(b) That portion of the First Subdivision described on Exhibit "E" attached hereto is hereby classified as Association Property.

(c) That portion of the First Subdivision described

on Exhibit "B" 89040300262 attached hereto is hereby classified as Landscaped Areas to be maintained by Owners and not by Association.

Section 2.03. Annexation of Additional Area.

(a) Annexation. Declarant and Participating Builders shall be required at sometime in the future to add to the Properties covered by this Master Declaration a portion of the median in Lake Mead Boulevard where Lake Mead Boulevard adjoins these Properties. Said portion of the median shall be Association Property and shall be maintained by the Association.

(b) Deannexation. Declarant may delete all or a portion of a Phase of Development from coverage of this Master Declaration and the jurisdiction of the Master Association or amend a Notice of Annexation covering such Phase of Development, so long as Declarant is the Owner of all of such Phase of Development, and provided that (i) a Notice of Deletion of Territory is Recorded in the same manner as the applicable Notice of Annexation was Recorded, (ii) no Master Association vote has been exercised with respect to any portion of the Phase of Development, (iii) assessments have not yet commenced with respect to any portion of such Phase of Development, (iv) there has been no Close of Escrow for the sale of any Lot or Condominium in such Phase of Development, (v) the Master Association has not made any expenditures or incurred any obligations with respect to any portion of such Phase of Development, and (vi) if such Phase of Development consists of Residential Area, VA and FHA, as applicable, have approved such deannexation or amendment. Participating Builders may delete all or any portion of a Phase of Development from coverage of this Master Declaration and the jurisdiction of the Master Association (or amend the applicable Notice of Annexation insofar as it affects such Phase of Development), so long as such Participating Builders (and Declarant, if applicable), are the Owners of all of such Phase of Development and provided further, that (a) all requirements of items (i) through (vi) set forth above in this paragraph have been satisfied, and (b) Declarant has consented in writing to such deletion or amendment by executing the Notice of Deletion of Territory or amendment to Notice of Annexation for such Phase of Development.

Section 2.04. Other Additions.

In addition to the provisions for annexation specified in Section 2.03 above, additional real property may be annexed to the Properties and brought within the general plan and scheme of this Master Declaration upon the approval by vote of Delegates entitled to exercise no less than two-thirds (2/3rds) of the total voting power of the Master Association.

Any suspension of voting rights or right to use any Association Property facilities shall be made only by the Board, after Notice and an opportunity for a Hearing as provided in the Bylaws.

(f) Subject to the provisions of Article XIII,

8 9 0 4 0 3 0 0 2 6 2
Section 13.03 of this Master Declaration, the right of the Master Association to dedicate, release, alienate or transfer all or any portion of the Association Property to any public agency, authority, utility or other Person for such purposes and subject to such conditions as may be agreed to by the Members. Except for grants of easements, licenses, or rights-of-way in, on, or over the Association Property for purposes not inconsistent with the use of such property pursuant to this Master Declaration, no such dedication, release, alienation or transfer shall be effective, unless previously approved by Delegates representing at least sixty-seven (67%) percent of the voting power of the Master Association and a certificate signifying such approval is executed by two (2) officers of the Master Association and Recorded. Recordation of such certificate shall constitute prima facie evidence that such approval has been given.

(g) The right of Declarant and any Participating Builders (and their sales agents, customers and representatives) to the nonexclusive use of the Association Property and the facilities thereon, without charge, for sales, display, access, ingress, egress and exhibit purposes, which right Declarant hereby reserves, which use shall not unreasonably interfere with the rights of enjoyment of the other Owners as provided herein. The rights of Declarant and Participating Builders under this Section 3.01(g) shall terminate on the tenth (10) anniversary of the Recordation of this Master Declaration.

(h) The right of the Master Association (by action of the Board) to reconstruct, replace or refinish any Improvement or portion thereof upon the Association Property, in accordance with the original design, finish or standard of construction of such Improvement, or of the general Improvements within any Phase of Development, as the case may be; and subject to Section 13.03, if not in accordance with such original design, finish or standard of construction, only with the vote of Delegates representing at least sixty-seven (67%) percent of the voting power of the Master Association.

(i) The right of the Master Association to replace destroyed trees or other vegetation and plant trees, shrubs and ground cover upon any portion of the Association Property.

(j) The right of the Master Association, acting through the Board, to reasonably restrict access to the Association Property.

Section 3.02. Delegation of Use.

Any Owner may delegate, in accordance with the Bylaws, his right of enjoyment to the Association Property to the members of his Family, his tenants, or contract purchasers

3 9 0 4 0 3 0 0 2 6 2
who reside in his Lot or Condominium, subject to reasonable regulation by the Board.

Section 3.03. Easements for Parking.

Temporary guest or recreational parking shall be permitted within the Association Property only within spaces and areas clearly marked for such purpose, if any. The Master Association, through its officers, committees and agents is hereby empowered to establish "parking" and "no parking" areas within the parking areas of the Association Property, if any, as well as to enforce these parking limitations by all means lawful for such enforcement on public streets.

Section 3.04. Easements for Vehicular Traffic.

In addition to the general easements for use of the Association Property reserved herein, there shall be, and Declarant hereby reserves and covenants for itself and all future Owners within the Properties, that Declarant and each and every Owner and their respective agents, employees, guests, invitees and successors shall have nonexclusive appurtenant easements for vehicular and pedestrian traffic over any private drives or parking areas and walkways within the Association Property, subject to the parking provisions set forth in Section 3.03 above. Declarant, on behalf of itself and any Participating Builders, reserves the right to grant similar easements to Owners of property in the Annexable Area.

Section 3.05. Waiver of Use.

No Owner may exempt himself from personal liability for assessments duly levied by the Master Association, nor release the Lot, Condominium or other property owned by him from the liens and charges hereof, by waiver of the use and enjoyment of the Association Property or by abandonment of his Lot, Condominium or any other property in the Properties.

Section 3.06. Title to the Association Property.

Declarant hereby covenants for itself, its successive owners and assigns, that it will convey or cause to be conveyed to the Master Association the Association Property described in Article II, Section 2.02 of this Master Declaration, free and clear of any and all encumbrances and liens, subject to reservations, easements, covenants, and conditions then of record, including those set forth in this Master Declaration. As each Phase of Development in the Properties is developed by Declarant or by a Participating Builder, Declarant, or such Participating Builder, as applicable, will similarly convey or cause to be conveyed, in fee simple or by easement, any Association Property designated as such in any Notice of Annexation for such Phase of Development or any other Association Property to be conveyed in connection with such Phase of Development as contemplated by the budget of the Master Association. Notwithstanding any such conveyance, the

3 3 0 4 0 3 0 0 2 6 2
Master Association's responsibility to maintain the Association Property in any Phase of Development shall not begin until the commencement of Common Assessments in such Phase of Development. Subject to Article IX hereof, no Owner or Sub-Association shall interfere with the exercise by the Master Association of its rights under the easement for maintenance over Association Property which is owned in fee such Owner or Sub-Association.

Section 3.07. Taxes.

Each Owner shall execute such instruments and take such action as may reasonably be specificized by the Master Association to obtain separate real estate tax assessment of his Lot or Condominium. If any taxes or assessments may, in the opinion of the Master Association, constitute a lien on the Association Property, or any part thereof, they may be paid by the Master Association and each Owner shall be obligated to pay or to reimburse the Master Association for, as the case may be, for the taxes and assessments assessed by the County Assessor or other taxing authority against the Association Property and attributable to his own Lot or Condominium and interest in the Association Property.

ARTICLE IV

SOUTH SHORES COMMUNITY ASSOCIATION

Section 4.01. Organization.

The Master Association is organized under the provisions of Chapter 81, Sections 81.410 to 81.540 of the Nevada Revised Statutes. The Master Association is charged with the duties and vested with the powers prescribed by law and set forth in the Articles, Bylaws, and this Master Declaration. Neither the Articles nor Bylaws shall, for any reason, be amended or otherwise changed so as to be inconsistent with this Master Declaration. If there should exist any ambiguity in any provision of the Articles or Bylaws, then such provision shall be construed, to the extent possible, so that such provision shall be consistent with the provisions of this Master Declaration. Nothing in this Master Declaration shall prevent the creation, by provision therefor in Additional Declarations, of Sub-Associations to assess, regulate, maintain or manage the portions of the Properties subject to such Additional Declarations, or to own or control portions thereof for the common use or benefit of the Owners of Lots or Condominiums in the portion of the Properties subject to such Additional Declarations.

Section 4.02. Membership.

Members of the Master Association shall be (i) Declarant (irrespective of whether Declarant is the Owner of a Lot or Condominium), for so long as Declarant is entitled to cast a Class C vote pursuant to Section 4.04, and (ii) each

3 9 0 1 0 3 0 0 2 6 2

Owner (including Declarant and any Participating Builder) of one (1) or more Lots or Condominiums in any Phase of Development. Membership in the Master Association shall be subject to this Master Declaration, the Articles, the Bylaws, and the Rules and Regulations. All memberships in the Master Association held by Owners shall be appurtenant to the Lot or Condominium owned by each Owner and memberships in the Master Association held by Owners shall not be assignable, except to the Person to whom title to the Lot or Condominium has been transferred. Ownership of a Lot or Condominium shall be the sole qualification for an Owner's membership in the Master Association. An Owner's membership in the Master Association shall not be transferred, pledged or alienated in any way, except upon the transfer of title to the Owner's Lot or Condominium, and then only to the purchaser or Mortgagee of such Lot or Condominium. Declarant's Class C membership may not be partially assigned or held by more than one (1) Person, and may not be transferred except to a successor to Declarant's rights to all or a portion of the Properties or the Annexable Area. Transfer of Declarant's Class C membership shall be evidenced by an assignment of Declarant's rights pursuant to Section 1.23. Any attempt to make a prohibited membership transfer shall be void and will not be reflected on the books of the Master Association. Membership in the Master Association shall be in addition to membership in any Sub-Association responsible for operating the Planned Development or Condominium Project in which a Member's Lot or Condominium is located; provided, however, that Declarant's Class C membership in the Master Association shall not be deemed to create any Class C or comparable membership rights in any Sub-Association. A Member shall have the right to delegate, in accordance with the Bylaws, his rights of use and enjoyment of the Association Property to a lessee or tenant of his Lot or Condominium; provided, however, that such Member shall not be entitled to the use and enjoyment of the Association Property during the term of such delegation. A Member who has sold his Lot or Condominium to a contract purchaser under an installment land sale contract shall be entitled to delegate to such contract purchaser his membership rights in the Master Association. Such delegation shall be in writing and shall be delivered to the Board before such contract purchaser may vote. However, the contract seller shall remain liable for all charges and assessments attributable to his Lot or Condominium until fee title to the Lot or Condominium sold is transferred. If the Owner of any Lot or Condominium fails or refuses to transfer the membership registered in his name to the purchaser of such Lot or Condominium upon transfer of fee title thereto, the Board of Directors shall have the right to record the transfer upon the books of the Master Association. The Master Association may levy a reasonable transfer fee against new Owners and their Lots and Condominiums (which fee shall be added to the Common Assessment chargeable to such new Owner) to reimburse the Master Association for the administrative costs of transferring the memberships to the new Owners on the records of the Master Association.

3 9 0 4 0 3 0 0 2 6 2
Section 4.03. Delegate Districts and Selection
of Delegates.

The Properties shall be divided into Delegate Districts as follows:

(a) Portions of the Properties with Sub-Associations. If a Sub-Association is created for the administration of any Planned Development or Condominium Project within the Properties, then the real property comprising such Planned Development or Condominium Project shall constitute a Delegate District. The election of a Delegate to the Master Association for such Delegate District shall be accomplished in the manner specified in the Additional Declaration or other constituent documents providing for such Sub-Association; or if no such manner is specified, then the Delegate shall be elected in the manner provided in the Additional Declaration or Bylaws of the Sub-Association for the election of a member of the Board of Directors of the Sub-Association.

(b) Portions of the Properties without a Sub-Association. If a Sub-Association is not created for any portion of the Properties, then the Delegate District(s) for such portion of the Properties shall be established by Declarant from time to time by the Recordation of a written instrument signed by Declarant containing a legal description of the portion of the Properties without a Sub-Association which shall constitute the Delegate District and a statement that such real property described therein shall be a Delegate District for purposes of this Master Declaration. Within each Phase of Development of each Delegate District there shall be two (2) classes of voting memberships, Class A and Class B, which shall cast votes in accordance with the provisions of Section 4.04(b)(i) and (ii) hereof. In Delegate Districts where there are more than one (1) Owner, the Delegate to represent any Delegate District established as set forth in this subsection (b) shall be elected, removed and instructed by Members in such Delegate District in accordance with the voting procedures set forth below:

(i) Voting. Those Members appearing, in the official records of the Master Association on the date forty-five (45) days prior to the scheduled date of any meeting of the Members required or permitted to be held under this subsection 4.03(b), as record Owners of Lots located in the Delegate District shall be entitled to notice of any such meeting. If there is more than one (1) record Owner of any Lot, any and all of the Members owning such Lot may attend any meeting of the Members, but the vote attributable to the Lot so owned shall not be increased by reason thereof. Co-Owners owning the majority interest in a Lot shall from time to time designate in writing one (1) of their number to vote. Fractional votes shall

8 9 0 1 0 3 0 0 2 6 2
not be allowed, and the vote for each Lot shall be exercised, if at all, as a unit. Where no voting co-Owner is designated, or if the designation has been revoked, the vote for the Lot shall be exercised as the co-Owners owning the majority interests in the Lot mutually agreed. However, no vote shall be cast for any Lot if the co-Owners present in person or by proxy cannot agree to said vote or other action. Unless the Board receives a written objection in advance from a co-Owner, it shall be conclusively presumed that the voting co-Owner is acting with the consent of all other co-Owners.

(ii) Proxies. Every Member entitled to attend, vote at or exercise consents with respect to any meeting of the Members in a Delegate District may do so either in person, or by a representative, known as a proxy, duly authorized by an instrument in writing, filed with the Board of the Master Association prior to the meeting to which it is applicable. Any proxy may be revoked at any time by written notice to the Board or by attendance in person by such Member at the meeting for which such proxy was given. In any event, no proxy shall be valid after the expiration of eleven (11) months from the date of the proxy, unless otherwise provided in the proxy, except that the maximum term of any proxy shall be three (3) years from the date of execution. Such powers of designation and revocation may be exercised by the guardian of any such Member's estate or by his conservator, or in the case of a minor having no guardian, by the parent entitled to his custody, or during the administration of any such Member's estate, by his executor or administrator where the latter's interest in such property is subject to administration in his estate. Any form of proxy shall afford an opportunity therein to specify a choice between approval and disapproval of each matter or group of related matters intended, at the time the proxy is distributed, to be acted upon at the meeting for which the proxy is solicited, and shall provide, subject to reasonable specified conditions, that where the person solicited specifies a choice with respect to any such matter, the vote shall be cast in accordance with such specification.

(iii) Vote Appurtenant to Lot. The right to vote in any such Delegate District may not be severed or separated from the ownership of the Lot to which it is appurtenant, except that any Member may give a revocable proxy in the manner described above, or may assign his right to vote to a lessee, employee, or tenant actually occupying his Lot or Mortgagee of the Lot concerned, for the term of the lease or Mortgage, and any sale, transfer or conveyance of such Lot to a new Owner or Owners shall

operate^{2 9 0 1 0 3 0 0 2 6 2} automatically to transfer the appurtenant vote to the new Owner, subject to any assignment of the right to vote to a lessee or Mortgagee as provided herein.

(iv) Annual Meetings, Selection and Removal of Delegate. There shall be an annual meeting of the Members in any such Delegate District not less than ten (10) days nor more than sixty (60) days prior to every annual meeting of the Master Association. The first meeting of the Members in such Delegate District, whether annual or special, shall be held no later than forty-five (45) days after the Close of Escrow for the sale of a majority of the Lots in such Delegate District, and in no event shall the first meeting be held later than six (6) months after Common Assessments have commenced on Lots in such Delegate District. At the first meeting of the Members and at each subsequent annual meeting, the Members shall elect a Delegate to represent them. The Delegate shall be elected by a majority of a quorum of the Members in such Delegate District. Such Delegate shall continue in office for one (1) year or until his successor is elected, whichever is later, unless such Delegate is removed, with or without cause, pursuant to Section 4.04(a) below.

(v) Notice of Meetings. Meetings of Members shall be held in the Delegate District or at such other convenient location on or near the Properties and within the County in which the Properties are located, as may be designated in the notice of the meeting. Written notice of meetings shall state the place, date and time of the meeting and those matters which the Board, at the time the notice is given, intends to present for action by the Members. Notice of any meeting at which Delegates are to be elected shall include the names of all those who are nominees at the time the notice is given to Members. The Secretary of the Master Association shall cause notice of meetings in such Delegate District to be sent to each Member within the Delegate District, no later than ten (10) days prior to the meeting. A special meeting of the Members in such Delegate District may be called at any reasonable time and place by written request (1) by a Participating Builder, for so long as the Participating Builder (if any) is a Class B Member, (2) by Declarant, for so long as Declarant is a Class B Member, (3) by the Delegate representing Members in such Delegate District, (4) by the Members in the Delegate District having Five (5%) Percent of the total voting power within such Delegate District, or, (5) so long as Declarant or any Participating Builder owns a Lot in such Delegate District, by Members in the Delegate District representing Fifteen (15%) Percent of the

8 9 0 4 0 3 0 0 2 6 2

voting power residing in Members other than Declarant or such Participating Builder. To be effective, such written request shall be delivered to either the President, Vice-President, or Secretary of the Master Association. Such officers shall then cause notice to be given to Members entitled to vote that a meeting will be held at a time and place fixed from time to time by the Board of Directors not less than ten (10) days, nor more than thirty (30) days after receipt of the written request. Notice of special meetings shall specify the general nature of the business to be undertaken and that no other business may be transacted.

(vi) Quorum. The presence at any meeting, in person or by written proxy, of the Members entitled to vote at least Twenty-five (25%) Percent of the total votes within such Delegate District shall constitute a quorum. If any meeting cannot be held because a quorum is not present, the Members present, either in person or by proxy, may, except as otherwise provided by law, adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the time the original meeting was called, at which meeting the quorum requirement shall be the presence, in person or by written proxy, of the Members entitled to vote at least Five (5%) Percent of the total votes within such Delegate District. If a time and place for the adjourned meeting is not fixed by those in attendance at the original meeting or if for any reason a new date is fixed for the adjourned meeting after adjournment, notice of the time and place of the adjourned meeting shall be given to Members in the manner prescribed for annual or special meetings, as applicable. The Members present at each meeting shall select a chairman to preside over the meeting and a secretary to transcribe minutes of the meeting. Unless otherwise expressly provided, any action authorized hereunder may be taken at any meeting of such Members owning Lots in a Delegate District for which a Sub-Association has not been created, upon the affirmative vote of the Members having a majority of a quorum of the voting power present at such meeting in person or by proxy.

(c) Suspension of Voting Rights. The Board shall have the authority to suspend the voting rights of any member to vote at any meeting of the Members at any Delegate District which does not have a Sub-Association, for any period during which the payment of any Common, Capital Improvement or Reconstruction Assessment against such Member and the real property owned by such Member remains delinquent, it being understood that any suspension for nonpayment of any Assessment shall not constitute a waiver or discharge of the Member's

3 9 0 1 0 3 0 0 2 6 2
obligation to pay the Assessments provided for herein.

Section 4.04. Voting by Delegates.

(a) Qualification. Each Delegate District shall elect one (1) Delegate (and one (1) alternate Delegate) to the Master Association to exercise the voting power of all of the Class A and Class B Members in such Delegate District. Any Class C vote shall be cast by Declarant. Each Delegate shall be entitled to cast the votes representing Lots or Condominiums in his Delegate District with respect to each such Lot or Condominium only during such periods as the Owner of such Lot or Condominium may be entitled to cast votes for the election of a Delegate as provided hereinafter or in any Additional Declaration, whichever is applicable. The Chairman of any meeting at which a Delegate or alternate Delegate is elected shall certify in writing to the Board the name and address of the Delegate or alternate elected, at the time and place of the meeting at which the election occurred and the Delegate District which the Delegate represents. A Delegate may be removed without cause by the vote in person or by proxy at any duly constituted meeting of at least a majority of a quorum of the Members in the Delegate District; provided, that in no event shall a Delegate be removed unless the votes cast in favor of such removal equal the lesser of (i) the number of votes which elected such Delegate to his current term, or (ii) a majority of the total voting power of the Members in such Delegate District. Only Members of the Master Association shall be eligible for election as Delegates. If the Member is a corporation, partnership, or other such entity, the authorized agent of such corporation, partnership or other entity shall be eligible for election as a Delegate. Upon termination of any Delegate's membership in the Master Association, such Delegate's term of office shall immediately terminate and a new Delegate shall be elected in his place. Delegates may only act personally at a meeting of the Delegates of the Master Association or by written ballot, and may not act by proxy. If a Delegate is not present at a duly called meeting of the Delegates, then the alternate for such absent Delegate may attend the meeting and exercise all rights, powers and votes to which the absent Delegate would be entitled. If the previously absent Delegate should arrive prior to the adjournment of any such meeting, the alternate shall no longer be entitled to act in the place of such Delegate; provided that such relinquishment of authority by the alternate shall not invalidate any matter previously voted or acted upon by the alternate in his temporary capacity as Delegate.

(b) Classes of Voting Membership/Delegate Vote Entitlement. The Master Association shall have three (3) classes of voting membership as follows:

(i) Class A. Class A Members shall originally be all Owners of Lots or Condominiums in each Phase of Development with the exception of Declarant and Participating Builders, for so long as there exists a

3 9 0 4 0 3 0 0 2 6 2

Class B membership in such Phase of Development. Each Delegate will be entitled to cast, (i) with respect to single Family Residential Lots or Condominiums subject to assessment and owned by Class A Members, one (1) vote for each such Lot or Condominium, subject to this Master Declaration and located in the Delegate District represented by such Delegate, (ii) with respect to multi-Family Residential Lots subject to assessment and developed as rental apartments, one (1) vote for each six (6) apartment units included within any one such multi-Family residential Lot subject to this Master Declaration and located in his Delegate District, and (iii) with respect to Commercial Area Lots or Condominiums, one (1) vote for each assessment unit allocated to such Lots or Condominiums in accordance with Section 6.05 of this Master Declaration. or the tenth (10th) anniversary of the Recordation of this
Master Declaration, whichever occurs first.

(c) Allocation of Delegate Votes. All voting rights shall be subject to the Restrictions. Whenever a matter which the Restrictions requires to be approved by the vote of Delegates representing a majority or other specified percentage of the total voting power of the Master Association (i.e., excluding matters requiring approval of the Class C Member or a mere majority of a quorum of Delegates as defined in the Bylaws) ("Specified Action") is presented to the Delegates for approval, written notice of the substance of the Specified Action shall be given to the Delegates at least thirty (30) days prior to the date on which the Specified Action shall be discussed at a meeting of the Delegates. During the thirty (30) day period prior to the meeting, the Delegates shall submit the Specified Action to a vote of the Members within their respective Delegate Districts. When voting on a Specified Action, each Delegate shall cast all of the votes which he represents as follows:

(i) The Delegate shall cast votes attributable to Owners actually voting (whether in person, by proxy or written ballot) in such Delegate District "for" or "against" such Specified Action in the same manner as such votes were cast by the voting Owners;

(ii) The Delegate shall cast votes attributable to Members within the Delegate District who have not voted on such Specified Action ("Absentee Votes") as follows:

(aa) If Fifty-one (51%) Percent or more of the votes in the Delegate District attributable to Owners other than Declarant and the Participating Builders have been cast pursuant to Section 4.04(c)(i) above, then any Absentee Votes attributable to Declarant and the Participating Builders, on the one hand, and the Owners other than Declarant and Participating Builders, on the other, shall each be cast "for" and "against" the Specified Action in the same proportions as the votes cast by the Owners other than Declarant and Participating Builders pursuant to Section 4.04(c)(i) above.

(bb) If less than Fifty-one (51%) Percent of the votes in the Delegate District attributable to Owners other than Declarant and Participating Builders have been cast pursuant to Section 4.04(c)(i) above, then the Absentee Votes shall be voted "for" or "against" the Specified Action in such proportions as the Delegate shall, in his or her discretion, determine appropriate.

Delegate shall contain such Delegate's certification of the following information: (1) the total number of votes in the Delegate District; (2) the total number of votes cast "for" and "against" the Specified Action on behalf of Declarant and Participating Builders in response to instructions given pursuant to Section 4.04(c)(i); (3) the total number of votes cast "for" and "against" the Specified Action on behalf of Members other than Declarant and Participating Builders in response to instructions given pursuant to Section 4.04(c)(i); (4) the total number of Absentee Votes in such Delegate District attributable to Declarant and Participating Builders and the total number of Absentee Votes attributable to Members other than Declarant and Participating Builders; and (5) the total number of votes cast by such Delegate "for" and "against" the Specified Action. The inspector of election shall tabulate the total number of votes cast by all Delegates in each of the foregoing categories in order to determine whether the necessary approvals have been obtained. It will be conclusively assumed for all purposes of Master Association business that each Delegate casting votes on behalf of the Owners of Lots or Condominiums in his Delegate District will have acted with the authority and consent of all such Owners. All agreements and determinations lawfully made by the Master Association in accordance with the voting procedures established herein, and in the Bylaws, shall be deemed to be binding upon all Members, Owners and their respective successors and assigns.

In addition, if any Owner has actual knowledge of any given Rules and Regulations, such Rules and Regulations shall be enforceable against such Owner as though notice of such Rules and Regulations had been given pursuant to this Section 5.02.

ARTICLE VI

FUNDS AND ASSESSMENTS

Section 6.01. Personal Obligation of Assessments.

Declarant and any Participating Builder for each Lot or Condominium owned by Declarant or such Participating Builder and subject to assessment hereby covenants and agrees, and each Owner of any Lot or Condominium, by acceptance of a deed or other conveyance therefor, whether or not it shall be so expressed in such deed or such other instrument, is deemed to covenant and agree to pay to the Master Association, (1) annual Common Assessments for Common Expenses, (2) Capital Improvement Assessments, (3) Special Assessments, and (4) Reconstruction Assessments; such assessments to be established and collected as hereinafter provided. All Assessments other than Special Assessments, together with interest, costs and reasonable attorney's fees for the collection thereof, shall be a charge on the land and shall be a continuing lien upon the Lot or Condominium against which such assessment is made. The personal obligation for delinquent Assessments shall not pass to any new Owner unless expressly assumed by such new Owner.

Section 6.02. Maintenance Funds.

The Board shall establish and maintain at least the following separate trust accounts (the "Maintenance Funds") with a Nevada bank or other recognized depository in the State of Nevada into which shall be deposited all monies paid to the Master Association, and from which disbursements shall be made, as provided herein, in the performance of functions by the Master Association under the Restrictions: (1) an Operating Fund for current expenses of the Master Association, (2) a Reserve Fund for replacements, painting and repairs of the landscaping and other Improvements within the Association

8 9 0 4 0 3 0 0 2 6 2
Property, and (3) any other funds which the Board of Directors may establish, to the extent necessary under the provisions of the Restrictions. To qualify for higher returns on accounts held at banking or savings institutions, the Board may commingle any amounts deposited into any of the Maintenance Funds with amounts deposited into any other Maintenance Fund, provided that, (i) the integrity of each individual Maintenance Fund shall be preserved on the books of the Master Association by accounting for disbursements from, and deposits to, each Maintenance Fund separately, and (ii) the portions of the Maintenance Funds attributable to the maintenance, repair and replacement of the Association Property shall not be commingled with any other portions of the Maintenance Funds. Each of the Maintenance Funds shall be established as separate trust savings or trust checking accounts.

Section 6.03. Purpose of Assessments.

All amounts deposited into the Operating fund and the Reserve Fund must be used solely for the purposes authorized by the Restrictions, as they may be amended from time to time. Disbursements from the Reserve Fund shall be made by the Board only for the respective purposes specified in this Article VI. Disbursements from the Operating Fund shall be made by the Board for such purposes as are necessary for the discharge of its responsibilities herein, other than those purposes for which disbursements from the Reserve Fund are to be used. Nothing in this Master Declaration shall be construed in such a way as to permit the Master Association to use any assessments to abate any annoyance or nuisance emanating from outside the physical boundaries of those portions of the Properties designated as Phases of Development. Nothing contained herein shall limit, preclude or impair the establishment of additional Maintenance Funds by the Master Association earmarked for specified purposes authorized by the Restrictions.

Section 6.04. Damage to Association Property by Owners.

Maintenance, repairs or replacements within the Association Property arising out of or caused by the willful or negligent act of an Owner, his family, guests, tenants or invitees shall be done at such Owner's expense, after Notice and Hearing, and a Special Assessment therefor shall be levied against such Owner; provided, however, that the liability of an individual Owner for such damage to the Association Property shall not be absolute, but shall only be that for which the Owner is legally responsible under State law.

Section 6.05. Common Assessments.

Each annual Common Assessment shall constitute an aggregate of separate assessments for each of the applicable Maintenance Funds, reflecting an itemization of the amounts assessed and attributable to prospective deposits into the Reserve Fund, Operating Fund and any other Maintenance Fund

3 9 0 4 0 5 0 0 2 6 2

established by the Master Association. Sums sufficient to pay Common Expenses shall be allocated among the Owners and their respective Lots or Condominiums based upon the number of assessment units chargeable to each such Owner. The Owner of each single-Family Lot or Condominium shall be charged with one (1) assessment unit for each such Lot or Condominium owned by him. The Owner of a Lot developed as a multi-Family project for rental apartments shall be charged with two and one-half (2 1/2) assessment units for every gross acre included in such multi-Family Lot. The owner of each Commercial Area Lot or Condominium shall be charged with two and one-half (2 1/2) assessment units for every gross acre comprised by such Lot or Condominium. If there is a fraction remaining after performing any of the calculations described in this Section 6.05, such fraction shall be disregarded for purposes of determining the number of assessment units; provided, however, that any Commercial Area Lot or Condominium containing less than one (1) gross acre shall be charged with five (5) assessment units. Until that real property, more particularly described on Exhibit "G" attached hereto, is zoned for single-Family development, the Owner thereof shall be charged with five (5) assessment units. From and after the time the Property is zoned for single-Family development, the assessment units charged shall be the same as hereinabove otherwise provided for Owners of single-Family Lots or Condominiums.

Section 6.06. Date of Commencement of Common Assessments.

Common assessments shall commence as to each Lot or Condominium in any Phase of Development in a Residential Area on the first day of the first month following the month in which the first Close of Escrow occurs for the sale of a Lot or Condominium in such Phase of Development or on the first day of the first month following the month in which the Association Property in such Phase of Development, if any, is conveyed to the Master Association, whichever occurs first. Common Assessments shall commence as to each Lot or Condominium in a Phase of Development in an Apartment Area or Commercial Area on the first day of the first month following the month in which a certificate of occupancy is issued for any Improvement in such Phase of Development or on the first day of the first month following the month in which the Association Property in such Phase of Development, if any, is conveyed to the Master Association, whichever occurs first. Each such Lot or Condominium shall thereafter be subject to its share of the then established annual Common Assessment as set forth herein. The first annual Common Assessment shall be adjusted according to the number of months remaining in the fiscal year as set forth in the Bylaws. The Board shall fix the amount of the annual Common Assessment to be levied against each Lot or Condominium at least thirty (30) days in advance of each Common Assessment period. Written notice of any change in the amount of the annual Common Assessment shall be sent to every Owner subject thereto, at least thirty (30) days prior to the effective date of such change. All installments of Common

3 9 0 4 0 3 0 0 2 6 2

Assessments shall be collected in advance on a regular basis by the Board, at such frequency and on such due dates as the Board shall determine from time to time in its sole and absolute discretion. The Master Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer or agent of the Master Association, setting forth whether the assessments on a specified Lot or Condominium have been paid. A properly executed certificate of the Master Association as to the status of assessments against a Lot or Condominium shall be binding upon the Master Association as of the date of its issuance. Each installment of a Common Assessment may be paid by the Owner to the Master Association in one check or in separate checks, as payments attributable to deposits into specified Maintenance Funds. If any payment of a Common Assessment installment is less than the amount assessed and the payment does not specify the Maintenance Fund into which it should be deposited, the payment received by the Master Association from that Owner shall be credited in order of priority first to the Operating Fund, until that portion of the Common Assessment has been satisfied, and second to the Reserve Fund.

From time to time the Board of Directors may determine that all excess funds remaining in the Operating Fund, over and above the amounts used for the operation of the Properties may be retained by the Master Association and used to reduce the following year's Common Assessment. Upon dissolution of the Master Association incident to the abandonment or termination of the maintenance of the Properties, any amounts remaining in any of the Maintenance Funds shall be distributed proportionately to or for the benefit of the Members.

Section 6.07. Limitations on Common Assessment Increases.

The Board shall not levy, for any fiscal year, an annual Common Assessment which exceeds the "Maximum Authorized Common Assessment", unless first approved by the vote of Delegates representing at least a majority of the total voting power of the Master Association.

(a) Maximum Authorized Common Assessment for Initial Year of Operations. Until the first day of the fiscal year immediately following the fiscal year in which Common Assessments commence, the Maximum Authorized Common Assessment per Lot or Condominium shall equal One Hundred Fifteen (115%) Percent of the amount of the Common Assessments disclosed in the budget of the Master Association which exists at the time Common Assessments commence.

(b) Maximum Authorized Common Assessment for Subsequent Fiscal Years. Beginning with the fiscal year immediately following the fiscal year in which Common Assessments commence, the Maximum Authorized Common

3 9 0 4 0 3 0 0 2 6 2
Assessment in any fiscal year shall equal One Hundred Fifteen (115%) Percent of that portion of the Common Assessment levied in that last month (or other billing cycle) of the immediately preceding fiscal year, annualized over an entire year.

(c) Supplemental Common Assessments. If the Board, by majority vote, determines that the important and essential functions of the Master Association may be properly funded by an annual Common Assessment less than the Maximum Authorized Common Assessment, it may levy such lesser Common Assessment. If the Board levies a Common Assessment in an amount less than the Maximum Authorized Common Assessment for any fiscal year and thereafter, during such fiscal year, determines that the important and essential functions of the Master Association cannot be funded by such lesser Common Assessment, the Board may, by majority vote, levy one (1) or more supplemental Common Assessments up to the Maximum Authorized Common Assessment.

(d) Automatic Assessment Increases. Notwithstanding any other provisions of this Section 6.07, upon the annexation of additional Phases of Development pursuant to Article II hereof, the Common Assessments shall be automatically increased by the amount, if any, necessary to maintain the Association Property located within such additional Phases of Development in accordance with prudent property management practices.

Section 6.08. Capital Improvement Assessments.

The Board, with the vote of Delegates representing at least Fifty-one (51%) Percent of the voting power of the Master Association, may levy, in any fiscal year, a Capital Improvement Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a Capital Improvement upon the Association Property, including fixtures and personal property related thereto. All Capital Improvement Assessments shall be levied among the Owners based upon the number of assessment units (determined pursuant to Section 6.05) chargeable to each Owner.

Section 6.09. Exempt Property.

The following property subject to this Master Declaration shall be exempt from the Assessments herein:

(a) Those portions of the Properties dedicated to and accepted by a local authority;

(b) The Association Property owned in fee by the Master Association; and

(c) All Common Areas owned in fee by any Sub-

Association. 3 9 0 4 0 3 0 0 2 6 2

Section 6.10. Remedies of the Master Association.

Any installment of a Common Assessment, Capital Improvement Assessment, Special Assessment, or Reconstruction Assessment not paid within thirty (30) days after it is due, shall bear interest from the due date until paid at a rate of up to Twelve (12%) Percent per annum. The Board may require a delinquent Owner to pay a late charge in addition to the interest described above to compensate the Master Association for increased bookkeeping, billing and other administrative costs. No such late charge shall exceed the maximum amount allowable by law. If any installment of an assessment is not paid within thirty (30) days after it is due, the Master Association may bring an action at law against the Owner personally obligated to pay the same, or may foreclose the lien against his Lot or Condominium. No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Association Property or abandonment of his Lot or Condominium. If any installment of an Assessment is not paid within thirty (30) days after its due date, the Board may mail an acceleration notice to the Owner and to each first Mortgagee of the Owner's Lot or Condominium which has requested a copy of the notice. The notice shall specify (1) the fact that the installment is delinquent, (2) the action required to cure the default, (3) the date, not less than thirty (30) days from the date the notice is mailed to the Owner, by which such default may be cured, and (4) that failure to cure the default on or before the date specified in the notice may result in acceleration of the balance of the installments of the Assessment for the then current fiscal year, and sale of the Lot or Condominium. The notice shall further inform the Owner of his right to cure after acceleration. If the delinquent installment of Assessments and any charges thereon are not paid in full on or before the date specified in the notice, the Board, at its option, may declare all of the unpaid balance of the Assessment levied against such Owner and such Owner's Lot or Condominium to be immediately due and payable without further demand, and may enforce the collection of the full Assessment and all charges thereon in any manner authorized by law and this Master Declaration.

Section 6.11. Notice of Lien.

No action shall be brought to enforce any assessment lien herein, unless a Notice of Lien is deposited in the United States mail, certified or registered, postage prepaid, to the Owner of the Lot or Condominium, and a copy thereof has been Recorded by the Master Association. Such Notice of Lien must recite (1) a description of the Lot or Condominium against which the assessment was made, (b) the name of the record Owner of the Lot or Condominium, and (c) the amount of the assessment and interest, costs (including attorneys' fees) and penalties. The Notice of Lien shall be signed and acknowledged by an officer of the Master Association. The lien shall continue

3 2 0 1 0 7 0 0 2 6 2
until fully paid or otherwise satisfied.

Section 6.12. Foreclosure Sale.

Any such sale provided for above may be conducted by the Master Association, its agent or attorney in accordance with the provisions of Covenants No. 6, 7 and 8 of N.R.S. 107.030 and 107.090 insofar as they are inconsistent with the provisions of N.R.S. 278A.160, or in any other manner permitted by law. The Master Association shall have the power to bid on the Lot or Condominium at the foreclosure sale, and to acquire and hold, lease, mortgage and convey the same. Upon completion of the foreclosure sale, an action may be brought by the Master Association or the purchaser at the sale in order to secure occupancy of the defaulting Owner's Lot or Condominium, and the defaulting Owner shall be required to pay the reasonable rental value of such Lot or Condominium during any period of continued occupancy by the defaulting Owner. Unless otherwise permitted by law, no sale to foreclose an assessment lien may be conducted until (1) the Master Association, its agent or attorney has first executed and Recorded a notice of default and election to sell the Lot or Condominium or cause its sale ("Notice of Default") to satisfy the assessment lien, and (2) the delinquent Owner or such Owner's successor in interest has failed to pay the amount of the delinquent assessment and interest, costs (including attorneys' fees) and expenses incident to its enforcement for a period of sixty (60) days. Such sixty (60) day period shall commence on the first day following the day upon which the Notice of Default is Recorded and a copy thereof is mailed by certified mail with postage prepaid to the Owner or such Owner's successor in interest at his address, if the address is known, and otherwise to the address of the Lot or Condominium. The Notice of Default must describe the deficiency in payment. The Master Association, its agent or attorney shall, after the expiration of such sixty (60) day period and before the foreclosure sale, give notice of the time and place of the sale in the manner and for a time not less than that required by law for the sale of real property upon execution, except that a copy of the notice of sale must be mailed on or before the first publication or posting by certified mail with postage prepaid to the Owner or such Owner's successor in interest at his address if known, and otherwise to the address of the Lot or Condominium.

Section 6.13. Curing of Default.

Upon the timely curing of any default for which a Notice of Lien was filed by the Master Association, the Master Association shall Record an appropriate Release of Lien, upon payment by the defaulting Owner of a reasonable fee to be determined by the Board, to cover the cost of preparing and Recording such release. A certificate, executed and acknowledged by any two (2) members of the Board or the Manager stating the indebtedness secured by the liens upon any Lot or Condominium created hereunder, shall be conclusive upon the Master Association and the Owners as to the amount of such

indebtedness as of the date of the certificate in favor of all persons who rely thereon in good faith. Such certificate shall be furnished to any Owner upon request at a reasonable fee, to be determined by the Board.

Section 6.14. Cumulative Remedies.

The assessment liens and the rights of foreclosure and sale thereunder shall be in addition to and not in substitution for all other rights and remedies which the Master Association and its assigns may have hereunder and by law, including a suit to recover a money judgment for unpaid assessments, as above provided.

Section 6.15. Mortgage Protection.

Notwithstanding all other provisions hereof, no lien created under this Article VI, nor any breach of this Master Declaration, nor the enforcement of any provision hereof or of any Supplemental Declaration hereto shall defeat or render invalid the rights of the Beneficiary under any Recorded Deed of Trust upon a Lot or Condominium, made in good faith and for value; provided that (i) such Deed of Trust is Recorded prior to any notice of lien or notice of noncompliance Recorded pursuant to this Master Declaration, and (ii) after such Beneficiary or some other Person obtains title to such Lot or Condominium by judicial foreclosure or by means of the powers set forth in such Deed of Trust, such Lot or Condominium shall remain subject to the Restrictions and the payment of all installments of Assessments, accruing subsequent to the date such Beneficiary or other Person obtains title.

Section 6.16. Priority of Assessment Lien.

The lien of the assessments, including interest and costs (including attorneys' fees) as provided for herein, shall be subordinate to the lien of any first Mortgage upon any Lot or Condominium. The sale or transfer of any Lot or Condominium shall not affect the assessment lien. However, the sale or transfer of any Lot or Condominium pursuant to judicial or nonjudicial foreclosure of a first Mortgage shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot or Condominium from lien rights for any assessments thereafter becoming due. Where the beneficiary of a first Mortgage of Record or other purchaser of a Lot or Condominium obtains title, the Person who acquires title and his successors and assigns shall not be liable for the share of the Common Expenses or assessments by the Master Association chargeable to such Lot or Condominium which became due prior to the acquisition of title to such Lot or Condominium by such Person. Such unpaid share of Common Expenses and assessments shall be deemed to become expenses collectible from all of the Lots and Condominiums, including the Lot or Condominium belonging to such Person and his successors and assigns.

Section 6.17. Capital Contributions to the
Master Association.

Unless VA waives this requirement in writing, upon acquisition of record title to a Lot or Condominium in the Phase of Development of the Properties in which the first Close of Escrow occurs, each Owner of such Lot or Condominium shall contribute to the capital of the Master Association an amount equal to one-sixth (1/6th) of the amount of the then Common Assessment for said Lot or Condominium. This amount shall be deposited by the buyer into the purchase and sale escrow and disbursed therefrom to the Master Association or to Declarant or a Participating Builder if Declarant or such Participating Builder has previously advanced such funds to the Master Association.

ARTICLE VII

GENERAL RESTRICTIONS

Subject to the exemptions of Declarant and Participating Builders as set forth herein, all real property within the Properties shall be held, used and enjoyed subject to the following limitations and restrictions:

Section 7.01. Antennae.

No exterior radio antenna, television antenna, "C.B." antenna or other antenna of any type shall be erected or maintained on any Lot or Condominium. However, (i) a master antenna or cable television antenna may, but need not, be provided by Declarant, a Participating Builder or the Master Association for use of Owners within any Planned Development, Condominium Project or other portion of the Properties, and (ii) antennae may be erected by Owners in the Commercial Area if doing so is reasonably necessary to carry on their business. Declarant and Participating Builders may grant easements for maintenance of any such master or cable television service. If Declarant provides a master antenna or cable television antenna, Declarant may require the Participating Builders to utilize the system installed by Declarant and to grant the appropriate easements to the cable company.

Section 7.02. Insurance Rates.

Nothing shall be done or kept in the Properties which will increase the rate of insurance on the Association Property, nor shall anything be done or kept in the Properties which would result in the cancellation of insurance on the Association Property or which would be in violation of any law.

Section 7.03. No Further Subdivision.

Except as expressly authorized in a Supplemental Declaration, no Lot, Condominium or Common Area in a

This amount shall be deposited by the buyer into the purchase and sale escrow and disbursed therefrom to the Master Association or to Declarant or a Participating Builder if Declarant or such Participating Builder has previously advanced such funds to the Master Association.

ARTICLE VII

GENERAL RESTRICTIONS

Subject to the exemptions of Declarant and Participating Builders as set forth herein, all real property within the Properties shall be held, used and enjoyed subject to the following limitations and restrictions:

Section 7.01. Antennae.

No exterior radio antenna, television antenna, "C.B." antenna or other antenna of any type shall be erected or maintained on any Lot or Condominium. However, (i) a master antenna or cable television antenna may, but need not, be provided by Declarant, a Participating Builder or the Master Association for use of Owners within any Planned Development, Condominium Project or other portion of the Properties, and (ii) antennae may be erected by Owners in the Commercial Area if doing so is reasonably necessary to carry on their business. Declarant and Participating Builders may grant easements for maintenance of any such master or cable television service. If Declarant provides a master antenna or cable television antenna, Declarant may require the Participating Builders to utilize the system installed by Declarant and to grant the appropriate easements to the cable company.

Section 7.02. Insurance Rates.

Nothing shall be done or kept in the Properties which will increase the rate of insurance on the Association Property, nor shall anything be done or kept in the Properties which would result in the cancellation of insurance on the Association Property or which would be in violation of any law.

Section 7.03. No Further Subdivision.

Except as expressly authorized in a Supplemental Declaration, no Lot, Condominium or Common Area in a

3 9 0 4 0 3 0 0 2 6 2
after such animals which have used any portion of the Association Property or other Common Areas, if any.

Section 7.05. Nuisances.

No rubbish or debris of any kind shall be placed or permitted to accumulate anywhere within the Properties, and no odor shall be permitted to arise therefrom so as to render the Properties or any portion thereof unsanitary, unsightly, or offensive from any public or private street or from any other Lot or Condominium. No noise or other nuisance shall be permitted to exist or operate upon any portion of a Lot or Condominium so as to be offensive or detrimental to any other Lot or Condominium in the Properties or to its occupants. Without limiting the generality of any of the foregoing provisions, no exterior speakers, horns, whistles, bells or other sound devices (other than security devices used exclusively for security purposes), noisy or smoky vehicles, large power equipment or large power tools, unlicensed off-road motor vehicles or other items which may unreasonably disturb other owners or their tenants shall be located, used or placed on any portion of the Properties without the prior written approval of the Board. No motorcycles, dirt bikes or other mechanized vehicles may be operated upon any portion of the Association Property not improved as a street without the prior written approval of the Architectural Committee, which approval may be withheld for any reason whatsoever. Alarm devices used exclusively to protect the security of a Lot or Condominium and its contents, shall be permitted, provided that such devices do not produce annoying sounds or conditions as a result of frequently occurring false alarms.

Section 7.06. Maintenance and Repair;
Owner's Obligations.

Each Owner shall maintain, repair and replace his Lot or Condominium, and all Improvements thereon in good condition and repair and in a neat and attractive condition, except for any portion of such Lot or Condominium which is to be maintained by a Sub-Association pursuant to an Additional Declaration. In addition, in order to ensure the values and amenities in the community, the Owners of the non-residential Lots or parcels shall be required to maintain the landscaped areas of said Lots or Parcels, more particularly described on Exhibit "F" attached hereto and made a part hereof, in a manner consistent with and at least up to the level of the maintenance of the common areas of the Association. Each Owner or Sub-Association shall further be responsible for the painting of the interior portion of any Wall required to be painted by such Owner or Sub-Association pursuant to Section 5.01(b) hereof. If any Owner or Sub-Association shall permit any Improvement, which is the responsibility of such Owner or Sub-Association to maintain, to fall into disrepair so as to create a dangerous, unsafe, unsightly or unattractive condition, the Board, after consulting with the Architectural Committee, and after affording the Owner of such property

3 9 0 4 0 3 0 0 2 6 2
Notice and Hearing, shall have the right but not the obligation to correct such condition, and to enter upon such Owner's Lot, Condominium, or such Common Area for the purpose of doing so, and such Owner or Sub-Association, as the case may be, shall promptly reimburse the Master Association for the cost thereof. Such cost shall be a Special Assessment enforceable in the manner set forth in this Master Declaration, and the Sub-Association or other Owner of the offending Common Area, Lot or Condominium shall be personally liable for all costs and expenses incurred by the Master Association in taking such corrective acts, plus all costs incurred in collecting the amounts due. Each Owner shall pay all amounts due for such work within ten (10) days after receipt of written demand therefor.

Section 7.07. Drainage.

There shall be no interference with the established drainage pattern over any Lot or Condominium so as to affect any other Lot or Condominium, unless an adequate alternative provision, previously approved in writing by the Architectural Committee, is made for proper drainage. For the purpose hereof, "established" drainage is defined as the drainage which exists at the time the Lot, Condominium or Common Area, as the case may be, is conveyed to an Owner or Sub-Association by Declarant or a Participating Builder or later grading changes which are shown on plans approved by the Architectural Committee, which may include drainage from the Association Property over any Lot, Condominium or Common Area in the Properties.

Section 7.08. Water and Sewer Systems.

Section 7.09. No Hazardous Activities.

No activities shall be conducted, nor shall any Improvements be constructed, anywhere in the Properties which are or might be unsafe or hazardous to any Person, Lot or Condominium in the Properties.

Section 7.10. No Temporary Structures.

Unless approved in writing by the Board in connection with the construction of authorized Improvements, no tent or shack or other temporary building, Improvement or structure shall be placed upon any portion of the Properties.

Section 7.11. No Mining and Drilling.

The Properties shall not be used for the purpose of mining, quarrying, drilling, boring or exploring for or removing water, oil, gas or other hydrocarbons, geothermal heat, minerals, rocks, stones, gravel or earth, nor shall oil, water or other wells, tanks, tunnels or mineral excavations or shafts be permitted upon the surface of any portion of the Properties or within five hundred (500) feet below the surface of the Properties.

ARTICLE VIII

APARTMENT AND RESIDENTIAL AREA RESTRICTIONS

Subject to the exemption of Declarant and Participating Builders as set forth herein, all real property located in the Apartment Area and the Residential Area (but not the Commercial Area) shall be held, used and enjoyed subject to the following additional limitations and restrictions:

Section 8.01. Residential Areas.

All Lots and Condominiums within a Residential Area shall be improved and used solely for single-family residential use; provided, however, that this provision shall not preclude any Owner in the Properties from renting or leasing all of his Lot or Condominium by means of a written lease or rental agreement subject to the Restrictions. No such lease or rental of a Condominium or Lot shall be for a term of less than thirty (30) days. No Lot or Condominium in a Residential Area shall ever be used or caused to be used or allowed or authorized to be used in any way, directly or indirectly, for any business, commercial, manufacturing, mercantile, storage, vending, or other such nonresidential purposes; except Declarant and Participating Builders, their successors and assigns, may use any portion of the Properties owned by them for a model home site and display and sales office during the construction and sales period, in accordance with Article XI hereof. The provisions of this Section 8.01 shall not preclude professional administrative occupations without external evidence thereof, for so long as such occupations are conducted in conformance with all applicable governmental ordinances, and are merely incidental to the use of the Lot or Condominium as a Residence.

Section 8.02. Improvements.

(a) No Lot in a Residential Area shall be improved except with one (1) Residence designed to accommodate no more than a single Family and its servants and occasional guests, plus a garage, fencing and such other Improvements as are necessary or customarily incident to a single-family Residence. No basketball backboard or other sports apparatus shall be constructed or maintained on the Properties without the prior

3 9 0 4 0 3 0 0 2 6 2

written approval of the Architectural Committee. No patio cover, wiring or air conditioning fixture, water softeners or other devices shall be installed on the exterior of a Residence or be allowed to protrude through the walls or roof of the Residence (with the exception of those items installed during the original construction of the Residence), unless the prior written approval of the Architectural Committee is obtained.

(b) All utility and storage areas and all laundry rooms, including all areas in which clothing or other laundry is hung to dry, must be completely covered and concealed from view from other areas of the Properties.

Section 8.03. Landscaping.

Within one hundred twenty (120) days after the Close of Escrow for the sale of a Lot in a Residential Area, the Owner of such Lot shall install landscaping on the front yard of such Lot in accordance with plans and specifications approved by the Architectural Committee in accordance with Article IX hereof. If any Lot in a Residential Area ("Custom Lot") is sold to a member of the public without a Residence thereon constructed by Declarant or a Participating Builder, the Owner of such Custom Lot shall, no later than two (2) years after the Close of Escrow for the sale of such Custom Lot, commence construction of a Residence as approved by the Architectural Committee pursuant to Article IX hereof. For purposes of this Section 8.03, construction of a Residence shall be deemed to have commenced when the pouring of the foundation has commenced. Each Owner of a Custom Lot shall complete the construction of the Residence on such Custom Lot, as well as the installation of landscaping as approved by the Architectural Committee on the front yard of his Custom Lot within one (1) year after such construction is commenced, notwithstanding the general time periods for the installation of landscaping set forth above. No plants or seeds, infected with insects or plant diseases, shall be brought upon, grown or maintained upon any part of the Properties. The Board may adopt Rules and Regulations proposed by the Architectural Committee to regulate landscaping permitted and required in the Residential Areas. If an Owner fails to install and maintain landscaping in conformance with such Rules and Regulations, or shall allow his landscaping to deteriorate to a dangerous, unsafe, unsightly or unattractive condition, the Board, upon thirty (30) days prior written notice to such Owner, shall have the right either to seek any remedies at law or in equity which it may have or to correct such condition and, after Notice and Hearing, to enter upon such Owner's property for the purpose of doing so, and such Owner shall promptly reimburse the Master Association for the cost thereof. Such cost shall be a Special Assessment enforceable in the manner as set forth in this Master Declaration.

Section 8.04. Parking and Vehicular Restrictions.

No Owner shall park, store or keep on any street

3 9 0 4 0 3 0 0 2 6 2
within the Residential Area or Apartment Area any large commercial type vehicle (including, but not limited to, any dump truck, cement mixer truck, oil or gas truck or delivery truck); any recreational vehicle (including, but not limited to, any camper unit, house/car or motor home); any bus, trailer, trailer coach, camp trailer, boat, aircraft or mobile home; or any inoperable vehicle or any other similar vehicle. The above excludes camper trucks and similar vehicles up to and designated by the Board including three-quarter (3/4) ton when used for everyday-type transportation and subject to approval by the Board. In addition, no Owner shall park, store, or keep anywhere within the Residential Area or Apartment Area any vehicle or vehicular equipment, mobile or otherwise, deemed to be a nuisance by the Board. All trailers, campers, motor homes and similar recreational vehicles shall be parked in enclosed garages or, otherwise adequately screened from view by way of a structure approved by the Architectural Committee. Garages shall be kept closed at all times, except as reasonably required for ingress to and egress from the interiors of the garages. No Owner of a Lot or Condominium shall conduct repairs or restorations of any motor vehicle, boat, trailer, aircraft or other vehicle upon any portion of any Lot or Condominium or elsewhere within the Residential Area or Apartment Area, except wholly within the Owner's garage; provided, however, that such activity shall at no time be permitted if it is determined by the Board to be a nuisance. Notwithstanding the foregoing, these restrictions shall not be interpreted in such a manner so as to permit any activity which would be contrary to any City or County ordinance.

Section 8.05. Apartment Use Area.

Each Apartment Area Owner shall pay Common, Reconstruction, Capital Improvement and Special Assessments in accordance with Article VI hereof. The Apartment Area Owner may delegate its right of enjoyment in and to the Association Property to tenants of its apartment units and such tenants may further delegate such rights of enjoyment to the members of the tenant's family and the tenant's bona fide guests (subject to the Restrictions). Declarant or a Participating Builder, in its sole discretion, may elect to convert or otherwise transform its portion of the Apartment Area to a Planned Development or Condominium Project or Projects, as applicable, pursuant to then applicable laws. Upon the first Close of Escrow for the sale of a Lot or Condominium in such apartment buildings to a member of the public, the Owners of Lots or Condominiums in such converted apartment buildings shall all be "Owners" as defined in this Master Declaration, shall be assessed in the same manner as other Owners, shall have the same voting rights as other Owners of the same Class of Members, and shall be subject to all of the provisions of this Master Declaration in the same manner as the other Owners.

Section 8.06. Signs.

No sign, poster, billboard, advertising device or

other display ^{3 7 0 1 0 3 0 0 2 6 2} of any kind shall be displayed so as to be visible from outside any Apartment Area or Residential Area without the approval of the Architectural Committee, except such signs of customary and reasonable dimensions as may be displayed on each Lot or from each Condominium advertising the Lot, Condominium or apartment unit for sale or lease.

Section 8.07. Unsightly Articles.

No unsightly articles, including clotheslines, shall be permitted to remain on any Lot or Condominium in a Residential Area or Apartment Area so as to be visible from any street or from any other Lot or Condominium. Without limiting the generality of the foregoing, refuse, garbage and trash shall be kept at all times in covered, sanitary containers or enclosed areas designed for such purpose. Such containers shall be exposed to the view of neighboring Lots or Condominiums only when set out for a reasonable period of time (not to exceed twelve (12) hours before and after scheduled trash collection hours). There shall be no exterior fires whatsoever, except barbecue fires contained within receptacles commercially designed therefor, such that they do not create a fire hazard and except as specifically authorized in writing by the Master Association (and subject to applicable ordinances and fire regulations).

Section 8.08. View Obstructions.

Subject to the provisions of Article IX hereof, no vegetation, Improvement, or other obstruction shall be planted, constructed, or maintained on any Lot or Condominium in a Residential Area or Apartment Area in such location or of such height as to unreasonably obstruct the view from any other Lot or Condominium. Each Owner of a Lot or Condominium and each Sub-Association responsible for maintenance of any Common Area shall be responsible for periodic trimming, pruning and thinning of all hedges, shrubs and trees located on his Lot or on that portion of his Condominium or Common Area which is subject to this control or maintenance, so as to not unreasonably obstruct the view of Adjacent Owners. If an Owner or Sub-Association fails to perform necessary trimming, pruning or thinning, the Master Association shall have the right, after Notice and Hearing, to enter upon such Lot, Condominium, or Common Area, as the case may be, for purposes of performing such work. Each Owner, by accepting a deed to a Lot or Condominium, hereby acknowledges that any construction or installation by Declarant or a Participating Builder may impair the view of such Owner, and hereby consents to such impairment.

ARTICLE IX

ARCHITECTURAL AND LANDSCAPING CONTROL

Section 9.01. Members of Architectural Committee.

The Architectural and Landscaping Committee,

3 9 0 4 0 3 0 0 2 6 2
sometimes referred to in this Master Declaration as the "Architectural Committee", shall consist of five (5) members; provided, however, that such number may be increased or decreased by resolution of the Board of Directors. The Architectural Committee shall be initially staffed by three (3) persons, each of whom shall be a representative of Declarant. Members of the Architectural Committee may be removed at any time without cause by the Person appointing such member as provided herein. The Board shall have the right to appoint and remove the two (2) other members of the Architectural Committee, at the organization meeting of the Board following the first meeting of the Delegates of the Master Association. At least one (1) Architectural Committee member appointed by the Board shall be an Owner of a Lot or Condominium other than a representative of Declarant. Unless changed by resolution of the Board, the address of the Architectural Committee for all purposes, including the submission of plans for approval, shall be at the principal office of the Master Association as designated by the Board pursuant to the Bylaws.

Section 9.02. Rights of Appointment.

(a) By Declarant. Declarant shall have the right to appoint a majority of the members of the Architectural Committee until the earlier to occur of the following:

(i) Such time as neither Declarant nor any Participating Builder owns any property in the Properties or the Annexable Area; or

(ii) Ten (10) years from the Recordation of this Master Declaration.

(b) By the Board. The Board shall have the right to appoint and remove those members of the Architectural Committee which Declarant is not authorized to appoint until such time as Declarant's rights of appointment shall have expired, and thereafter the Board shall have the right to appoint and remove all members of the Architectural Committee. Architectural Committee members appointed by the Board shall serve for a term of one (1) year or until their respective successors are appointed.

(c) Notice of Appointment. Whenever an Architectural Committee member is appointed or removed while both Declarant and the Board have rights of appointment, written notice of such appointment or removal shall be given by the appointing party to the other party.

Section 9.03. Review of Plans and Specifications.

Subject to Article XI of this Master Declaration, no construction, alteration, grading, addition, excavation, modification, decoration, redecoration or reconstruction of an improvement in the Properties or other activity within the jurisdiction of the Architectural Committee pursuant to this

Master Declaration (collectively "Construction Activities") shall be commenced or maintained by any Owner, until the plans and specifications therefor showing the nature, kind, shape, height, width, color, materials and location of the same shall have been submitted to the Architectural Committee and approved in writing by the Architectural Committee as follows:

(a) Declarant. Declarant need not seek approval of the Architectural Committee with respect to any of its activities.

(b) Participating Builders. Participating Builders, including the Owners of Commercial and Apartment Areas, must seek Architectural Committee approval in the manner herein provided for all Construction Activities for so long as a majority of the members of the Architectural Committee are appointees of Declarant. At any time that a majority of the Architectural Committee members are not appointees of Declarant, then the Participating Builders, including the Owners of Commercial and Apartment Areas, need not seek approval of the Architectural Committee with respect to any matter subject to Architectural Committee jurisdiction pursuant to this Master Declaration. Anything contained in this subparagraph to the contrary notwithstanding, any Participating Builder who owns their land, subject to these Covenants, Conditions and Restrictions, on or before April 12, 1989, is not subject to the obligation to seek Architectural Committee approval in the manner required.

(c) Sub-Associations and Other Owners. Each Sub-Association and all Owners (other than as specified in Subsections 9.03(a) and (b) above) must obtain Architectural Committee approval in the manner provided herein for all Construction Activities.

The Architectural Committee shall consider and act upon any and all plans and specifications submitted for its approval under this Master Declaration and perform such other duties as are specified in this Master Declaration or are from time to time assigned to it by the Board, including the inspection of construction in progress to assure its conformance with plans approved by the Architectural Committee. The Architectural Committee shall approve plans and specifications submitted for its approval only if it deems that, (a) the construction, alterations, or additions contemplated thereby in the locations indicated will not be detrimental to the appearance of the surrounding area or the Properties as a whole, (b) the appearance of any structure affected thereby will be in harmony with the surrounding structures, (c) the construction thereof will not detract from the beauty, wholesomeness and attractiveness of the Association Property or the enjoyment thereof by the Members, and (d) the upkeep and maintenance thereof will not become a burden on the Master Association.

The Architectural Committee may condition its

3 9 0 4 0 3 0 0 2 6 2
approval of proposals or plans and specifications for any Improvement (1) upon the agreement by the person (referred to in this Section as "Applicant") submitting the same to furnish to the Architectural Committee a bond or other security acceptable to the Architectural Committee in an amount reasonably sufficient to (1) assure the completion of such Improvement for the availability of funds adequate to remedy any nuisance or unsightly conditions occurring as a result of the partial completion of such Improvement, and (ii) to protect the Master Association and the other Owners against mechanic's liens or other encumbrances which may be Recorded against their respective interests in the Properties or damage to the Association Property as a result of such work, (2) on such changes therein as it deems appropriate, (3) upon the agreement by the Applicant to grant appropriate easements to the Master Association for the maintenance of the Improvement, (4) upon the agreement of the Applicant to reimburse the Master Association for the cost of maintenance, or all four, and may require submission of additional plans and specifications or other information prior to approving or disapproving material submitted. The Architectural Committee may also issue rules or guidelines setting forth procedures for the submission of plans for approval, requiring a fee to accompany each application for approval, or stating additional factors which it will take into consideration in reviewing submissions. The Architectural Committee may provide that the amount of such fee shall be uniform, or that it may be determined in any other reasonable manner, such as based upon the reasonable cost of the construction, alterations or additions contemplated or the cost of architectural or other professional fees incurred by the Master Association in reviewing plans.

The Architectural Committee may require such detail in plans and specifications submitted for its review as it deems proper, including without limitation, floor plans, site plans, drainage plans, landscaping plans, elevation drawings and description or samples of exterior material and colors. The Architectural Committee may further require that all plans and specifications first be approved by any Sub-Association having jurisdiction. Until receipt by the Architectural Committee of any required plans and specifications and any Sub-Association approval, the Architectural Committee may postpone review of any plan submitted for approval. Decisions of the Architectural Committee and the reasons therefor shall be transmitted by the Architectural Committee to the Applicant at the address furnished by the Applicant, within thirty (30) days after the date of receipt issued by the Architectural Committee for the final materials required by the Architectural Committee. Any application submitted pursuant to this Section shall be deemed approved, unless written disapproval or a request for additional information or materials by the Architectural Committee shall have been transmitted to the Applicant within thirty (30) days after the date of receipt by the Architectural Committee of all required materials.

3 9 0 4 4 0 3 0 0 2 6 2
Section 9.04. Meetings of the Architectural Committee.

The Architectural Committee shall meet from time to time as necessary to perform its duties hereunder. The Architectural Committee may from time to time, by resolution unanimously adopted in writing, designate an Architectural Committee Representative (who may, but need not, be one of its members) to take any action or perform any duties for and on behalf of the Architectural Committee, except the granting of variances pursuant to Section 9.09 of this Article. In the absence of such designation, the vote of a majority of the members of the Architectural Committee, or the written consent of a majority of the members of the Architectural Committee taken without a meeting, shall constitute an act of the Architectural Committee.

Section 9.05. No Waiver of Future Approvals.

The approval of the Architectural Committee of any proposals or plans and specifications or drawings for any work done or proposed or in connection with any other matter requiring the approval and consent of the Architectural Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matters subsequently or additionally submitted for approval or consent.

Section 9.06. Compensation of Members.

The members of the Architectural Committee shall receive no compensation for services rendered, other than reimbursement by the Master Association for expenses incurred by them in the performance of their duties hereunder.

Section 9.07. Correction of Defects.

Inspection of work and correction of defects therein shall proceed as follows:

(a) The Architectural Committee or its duly appointed representative may at any time inspect any Improvement for which approval of plans is required under this Article. However the Architectural Committee's right of inspection of Improvements for which plans have been submitted and approved shall terminate sixty (60) days after the work of Improvement has been completed and the respective Owner has given written notice to the Architectural Committee of such completion. The Architectural Committee's rights of inspection shall not terminate pursuant to this paragraph if plans for the work of Improvement have not previously been submitted to and approved by the Architectural Committee. If, as a result of such inspection, the Architectural Committee finds that such Improvement was done without obtaining approval of the plans therefor or was not done in

3 9 0 4 0 3 0 0 2 3 2
substantial compliance with the plans approved by the Architectural Committee, it shall notify the Owner in writing of failure to comply with this Article IX within sixty (6) days from the inspection, specifying the particulars of noncompliance. The Architectural Committee shall have the authority to require the Owner to take such action as may be necessary to remedy the noncompliance.

(b) If, upon the expiration of sixty (60) days from the date of such notification, the Owner has failed to remedy such noncompliance, the Architectural Committee shall notify the Board in writing of such failure. Upon Notice and Hearing as provided in the Bylaws, the Board shall determine whether there is a noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If a noncompliance exists, the Owner shall remedy or remove the same within a period of not more than forty-five (45) days from the date that notice of the Board ruling is given to the Owner. If the Owner does not comply with the Board ruling within that period, the Board, at its option, may Record a notice of noncompliance and may peacefully remedy the noncompliance, and the Owner shall reimburse the Master Association, upon demand, for all expenses incurred in connection therewith. If such expenses are not promptly repaid by the Owner to the Master Association, the Board shall levy a Special Assessment against such Owner for reimbursement as provided in this Declaration. The right of the Master Association to remove a non-complying Improvement or otherwise remedy the noncompliance shall be in addition to all other rights and remedies which the Master Association may have at law, in equity, or in this Master Declaration.

(c) If for any reason the Architectural Committee fails to notify the Owner of any noncompliance with previously submitted and approved plans within sixty (60) days after receipt of such written notice of completion from the Owner, the Improvement shall be deemed to be in accordance with such approved plans.

(d) All construction, alteration or other work shall be performed promptly and diligently as possible.

Section 9.08. Scope of Review.

The Architectural Committee shall review and approve or disapprove all plans submitted to it for any proposed Improvement, alteration or addition, solely on the basis of the considerations set forth in Section 9.03 hereof. The Architectural Committee shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of, any plan or design from the standpoint of structural safety or conformance with building or other codes.

3 9 0 4 0 3 0 0 2 6 2
Section 9.09. Variances.

The Architectural Committee may authorize variances from compliance with any of the architectural provisions of this Master Declaration or any Supplemental Declaration, including, without limitation, restrictions upon height, size, floor area or placement of structures, or similar restrictions, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations may require. Such variances must be evidenced in writing, must be signed by at least a majority of the members of the Architectural Committee, and shall become effective upon Recordation. If such variances are granted, no violation of the covenants, conditions and restrictions contained in this Master Declaration or any Supplemental Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Master Declaration or of any Supplemental Declaration for any purpose except as to the particular property and particular provision hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting his use of the premises, including but not limited to zoning ordinances and Lot setback lines or requirements imposed by the County or other governmental authority.

Section 9.10. Certain Exceptions.

The provisions of this Master Declaration may be made less stringent as to any Commercial Area if and to the extent that the Supplemental Declaration covering such Commercial Area so provides. The Architectural Committee may also exempt certain types or classes of Improvements from the provisions of this Article IX under written guidelines or rules promulgated from time to time by the Architectural Committee if, in the exercise of the Architectural Committee's sole judgment, approval of such types or classes of Improvements is not required to carry out the purposes of this Master Declaration. A Supplemental Declaration covering a Commercial Area or Custom Lots (as defined in Section 8.03) may provide for the creation of a separate architectural committee ("Separate Committee") which shall have exclusive jurisdiction over all such Lots or Condominiums covered by such Supplemental Declaration. In such event, the Architectural Committee created pursuant to this Article IX shall have no jurisdiction over such Lots or Condominiums, and all activities under this Master Declaration which require the approval of the Architectural Committee shall instead require the approval of the Separate Committee.

DAMAGE, DESTRUCTION, OR CONDEMNATION

OF ASSOCIATION PROPERTY

Damage to, destruction of or condemnation of all or any portion of the Association Property shall be handled in the following manner:

Section 10.01. Damages by Member.

To the extent permitted by law, each Owner shall be liable to the Master Association for any damage to the Association Property not fully reimbursed to the Master Association by insurance if the damage is sustained because of the negligence, willful misconduct or unauthorized or improper installation or maintenance of any Improvement by the Owner, his guests, tenants or invitees, or any other Persons deriving their right and easement of use and enjoyment of the Association Property from the Owner, or his or their respective Family and guests, both minor and adult. However, the Master Association, acting through the Board, reserves the right to determine whether any claim shall be made on the insurance maintained by the Master Association, and the Master Association further reserves the right, after Notice and Hearing as provided in the Bylaws, to levy a Special Assessment equal to the increase, if any, in insurance premiums directly attributable to the damage caused by the Owner or the Person for whom the Owner may be liable as described above. In the case of joint ownership of a Lot or Condominium, the Liability of the Owners shall be joint and several, except to the extent that the Master Association shall have previously contracted in writing with the joint Owners to the contrary. After Notice and Hearing as provided in the Bylaws, the cost of correcting the damage to the extent not reimbursed to the Master Association by insurance shall be a Special Assessment and may be enforced as provided herein.

Section 10.02. Repair of Damages.

In the case of damage by fire or other casualty to the Association Property any insurance proceeds payable by reason thereof shall be paid to the Master Association, which thereupon shall contract for the repair or replacement of all the Association Property so damaged. The Master Association shall levy a Reconstruction Assessment on Owners to satisfy any deficiency in the same manner and proportion that Common Assessments are levied against and collected from Owners. Notwithstanding the foregoing, any restoration or repair of the Association Property after damage due to an insurable hazard shall be performed substantially in accordance with the original plans and specifications unless other action is approved by holders of fifty-one (51%) percent of the first Mortgages on Lots and Condominiums.

9 9 0 4 0 3 0 0 2 6 2
Section 10.03. Condemnation.

If at any time all or any portion of the Association Property, or any interest therein, is taken for any public or quasi-public use, under any statute, by right of eminent domain or by private purchase in lieu of eminent domain, the award in condemnation shall be paid to the Master Association. Any such award payable to the Master Association shall be deposited in the appropriate Operating Fund. No Member shall be entitled to participate as a party, or otherwise, in any proceedings relating to such condemnation. The Master Association shall have the exclusive right to participate in such proceedings and shall, in its name alone, represent the interests of all Members. The Board of Directors immediately upon having knowledge of any taking by eminent domain of the Association Property, or any portion thereof, or any threat thereof, shall promptly notify all Owners and all insurers and holders of first Mortgages on Lots or Condominiums.

Section 10.04. Notice to Owners and Listed Mortgagees.

The Board, immediately upon having knowledge of any damage or destruction affecting a material portion of the Association Property shall promptly notify all Owners, holders, insurers, and guarantors of first Mortgages on Lots or Condominiums who have filed a written request for such notice. The Board, immediately upon having knowledge of any damage or destruction affecting a Lot or Condominium, shall promptly notify the holder and insurer or guarantor of the first Mortgage on such Lot or Condominium.

ARTICLE XI

INTEREST AND EXEMPTION OF DECLARANT

Section 11.01. Interest of Declarant.

Declarant has created a plan for the development of the Properties which includes modern planning objectives which have been formulated for the common good and enhancement of property values within the community. Each Owner of a Lot or Condominium which is part of the Properties acknowledges by acceptance of a deed or other conveyance therefor, whether or not it shall be so expressed in any such deed or other instrument, that Declarant has a substantial interest to be protected with regard to assuring compliance with and enforcement of, the covenants, conditions, restrictions and reservations contained in this Master Declaration and any amendments thereto and any Supplemental Declarations Recorded pursuant to this Master Declaration. Notwithstanding any other provisions of the Restrictions, until such time as (i) Declarant and all Participating Builders no longer own any Lots or Condominiums in the Properties, whichever occurs later, the following actions, before being undertaken by the Delegates

8 9 0 4 0 3 0 0 2 6 2

or the Master Association, shall first be approved in writing by Declarant:

(a) Any amendment or action requiring the approval of first Mortgagees pursuant to this Master Declaration, including without limitation all amendments and actions specified in Sections 13.02(c) and 13.03, or specifically requiring the approval of Declarant pursuant to Section 13.02(a);

(b) The annexation to the Properties of real property other than the Annexable Area pursuant to Section 2.04;

(c) The levy of a Capital Improvement Assessment for the construction of new facilities not originally included in the Association Property; or

(d) Subject to Section 6.07 regarding limitations on yearly Common Assessment increases, any significant reduction of Master Association maintenance or other services.

Section 11.02. Exemption of Declarant and Participating Builders.

Nothing in the Restrictions shall limit and no Owner, Sub-Association or the Master Association shall do anything to interfere with the right of Declarant and Participating Builders to subdivide or resubdivide any portion of the Properties, or the right of Declarant or a Participating Builder to complete excavation and grading and construction of Improvements to and on any portion of the Properties owned by Declarant or a Participating Builder, or to alter the foregoing and its construction plans and designs, or to construct such additional Improvements as Declarant or a Participating Builder deems advisable in the course of development of the Properties so long as any Lot or Condominium in the Properties owned by Declarant or a Participating Builder remains unsold. Such right shall include, but shall not be limited to, carrying on by Declarant or a Participating Builder of such grading work as may be approved by the City or other agency having jurisdiction, and erecting, constructing and maintaining on the Properties such structures, signs and displays as may be reasonably necessary for the conduct of its business of completing the work and disposing of the same by sale, lease or otherwise. This Master Declaration shall not limit the right of Declarant or a Participating Builder, at any time prior to acquisition of title to a Lot or Condominium by a purchaser from Declarant or a Participating Builder, to establish on that Lot or Condominium, as the case may be, additional licenses, easements, reservations and rights-of-way to itself, to utility companies, or to others as may from time to time be reasonably necessary to the proper development and disposal of the Properties. Prospective purchasers, Declarant and Participating Builders shall have the right to use all and

3 9 0 4 0 3 0 0 2 6 2

any portion of the Association Property for access to the sales facilities of Declarant and Participating Builders. Declarant and Participating Builders may use any structures owned by Declarant or Participating Builders in the Properties as model home complexes or real restate sales or leasing offices. Any exemption of Participating Builders pursuant to this Section 11.02 shall be subject to any Architectural Committee approval which may be required under the Restrictions, as made applicable to Participating Builders pursuant to Subsection 9.03(b) of this Master Declaration. All or any portion of the rights of Declarant or a Participating Builder hereunder and elsewhere in these Restrictions may be assigned by Declarant or such Participating Builder to any successor in interest to any portion of Declarant's interest in any portion of the Properties (including, without limitation, any Participating Builder) or to any successor in interest to any portion of such Participating Builder's interest in any portion of the Properties by an express Recorded written assignment which specifies the rights of Declarant or such Participating Builder so assigned. Notwithstanding any other provision of this Master Declaration, the prior written approval of Declarant (which approval shall not be unreasonably withheld), as developer of the Properties, will be required before any amendment to this Article XI shall be effective. The rights and reservations of Declarant and Participating Builders under this Section 11.02 shall terminate on the tenth (10) anniversary of the Recordation of this Master Declaration.

ARTICLE XII

INSURANCE

Section 12.01. Insurance Obligations of Master Association.

The Board shall cause to be obtained and maintained adequate blanket public liability insurance (including medical payments), with such limits as may be considered acceptable to the Federal National Mortgage Association (not less than One Million (\$1,000,000.00) Dollars covering all claims for personal injury and property damage arising out of a single occurrence), insuring against liability for bodily injury, death and property damage arising from the activities of the Master Association and its Members, with respect to the Association Property and any other property under its jurisdiction. The Board shall also cause to be obtained and maintained fire and casualty insurance with extended coverage, without deduction for depreciation, in an amount as near as possible to the full replacement value of the Association Property Improvements. Such insurance shall be maintained for the benefit of the Master Association, the Owners, and the Mortgagees, as their interests may appear as named insured, subject, however, to loss payment requirements as set forth herein. The Board of Directors shall purchase such other insurance, as necessary, including, but not limited to, errors

3 9 0 4 0 3 0 0 2 6 2

and omissions, directors, officers and agents' liability insurance, plate glass insurance, medical payments, malicious mischief, liquor liability and vandalism insurance, fidelity bonds and workers' compensation, and such other risks as shall customarily be covered with respect to projects similar in construction, location, and use. Fidelity bond coverage, as set forth below, must be obtained by or on behalf of the Master Association for any person or entity handling funds of the Master Association, including, but not limited to, officers, directors, trustees, and employees of the Master Association, whether or not such persons are compensated for their services, and employees of the Manager, whether such Manager is an employee or an independent contractor. The aggregate amount of such fidelity bonds shall not be less than a sum equal to three (3) months aggregate Common Assessments on all Lots and Condominiums in the Properties, plus the amount of the Reserve Fund. Notwithstanding any other provision herein, the Master Association shall continuously maintain in effect such casualty, flood, and liability insurance and a fidelity bond, meeting the insurance and fidelity bond requirements established by the Federal National Mortgage Association ("FNMA"), the Government National Mortgage Association ("GNMA"), the Federal Home Loan Mortgage Corporation ("FHLMC"), VA and FHA, so long as any of which is an Owner of a Lot or Condominium or a Beneficiary, insurer or guarantor of a Mortgage on a Lot or Condominium in the Properties, except to the extent such coverage is not available or has been waived in writing by the FNMA, GNMA, FHLMC, VA and FHA as applicable. Certificates of insurance shall be issued to each Owner and Mortgagee upon written request.

Section 12.02. Waiver of Claims Against Master Association.

As to all policies of insurance maintained by or for the benefit of the Master Association and the Owners, the Master Association and the Owners hereby waive and release all claims against one another, the Board of Directors, and Declarant to the extent of the insurance proceeds available, whether or not the insurable damage or injury is caused by the negligence of or breach of any agreement by any of such persons.

Section 12.03. Notice of Expiration Requirements.

If available, all of the policies of insurance maintained by the Master Association shall contain a provision that such policy or policies shall not expire nor be cancelled, terminated, or materially modified without at least ten (10) days prior written notice to the Board, Declarant, and Owners and those Beneficiaries, insurers or guarantors of first Mortgages and Owners who have filed a written request with the carrier for such notice, and every other person in interest who requires such notice of the insurer. Fidelity bond coverage shall not be cancelled or substantially decreased unless each FNMA servicer servicing first Mortgages held by FNMA on Lots or

3 9 0 4 0 3 0 0 2 6 2

Condominiums and the insurance trustee, if any, appointed pursuant to Section 12.05 have received ten (10) days written notice of such cancellation or decrease in fidelity bond coverage.

Section 12.04 Insurance Premiums.

Insurance premiums for any insurance coverage obtained by the Master Association and any other insurance deemed necessary by the Board of Directors shall be a Common Expense to be included in the Common Assessments levied by the Master Association and collected from the Owners. That portion of the Common Assessments necessary for the required insurance premiums shall be separately accounted for by the Master Association in the Reserve Fund, to be used solely for the payment of premiums of required insurance as such premiums become due.

Section 12.05. Trustee for Policies.

The Master Association, acting through its Board of Directors, is hereby appointed and shall be deemed trustee of the interests of all named insureds under policies of insurance purchased and maintained by the Master Association. All insurance proceeds under any such policies as provided for in Section 12.01 of this Article shall be paid to the Board of Directors as Trustees. The Board shall have full power to receive and to receipt for the proceeds and to deal therewith as provided herein. Insurance proceeds shall be used by the Master Association for the repair or replacement of the property for which the insurance was carried. The Board is hereby granted the authority to negotiate loss settlements with the appropriate insurance carriers, with participation to the extent they desire, of first Mortgagees who have filed written requests within ten (10) days of receipt of notice of any damage or destruction. Any two (2) Directors of the Master Association may sign a loss claim form and release form in connection with the settlement of a loss claim, and such signatures shall be binding on all the named insureds. Notwithstanding the foregoing, there may be named as an insured a representative chosen by the Board, including a trustee with whom the Master Association may enter into an insurance trust agreement or any successor to such trustee, who shall have exclusive authority to negotiate losses under any policy providing property or liability insurance and to perform such other functions as are necessary to accomplish this purpose.

Section 12.06. Actions by Trustee.

Except as otherwise specifically provided in this Master Declaration, the Board, acting on behalf of the Master Association and all Owners, shall have the exclusive right to bind such parties in respect to all matters affecting insurance carried by the Master Association, the settlement of a loss claim, and the surrender, cancellation, and modification of all such insurance, in a manner satisfactory to the first

3 9 0 4 0 3 0 0 2 6 2

Mortgagees holding Seventy-five (75%) Percent of the first Mortgages who have filed requests under Section 12.03. Duplicate originals or certificates of all policies of fire and casualty insurance maintained by the Master Association and of all renewals thereof, together with proof of payment of premiums, shall be delivered by the Master Association to all Mortgagees who have requested the same in writing.

Section 12.07. Annual Insurance Review.

The Board shall review the insurance carried by or on behalf of the Master Association, at least annually, for the purpose of determining the amount of the casualty and fire insurance referred to in Section 12.01 above. If economically feasible, the Board shall obtain a current appraisal of the full replacement value of the Improvements on the Association Property, except for foundations and footings, without deduction for depreciation, from a qualified independent insurance appraiser, prior to each such annual review.

Section 12.08. Required Waiver.

All policies of physical damage insurance shall provide, if reasonably possible, for waiver of the following rights to the extent that the respective insurers would have the rights without such waivers:

(a) subrogation of claims against the Owners and tenants of the Owners;

(b) any defense based upon co-insurance;

(c) any right of setoff, counterclaim, apportionment, proration or contribution by reason of other insurance not carried by the Master Association;

(d) any invalidity, other adverse effect or defense on account of any breach of warranty or condition caused by the Master Association, any Owner or any tenant of any Owner, or arising from any act, neglect, or omission of any named insured or the respective agents, contractors and employees of any insured;

(e) any right of the insurer to repair, rebuild, or replace, and, if the Improvement is not repaired, rebuilt, or replaced following loss, any right to pay under the insurance an amount less than the replacement value of the Improvements insured;

(f) notice of the assignment of any Owner of his interest in the insurance by virtue of a conveyance of any Lot or Condominium; and

(g) any right to require any assignment of any mortgage to the insurer.

ARTICLE XIII

MISCELLANEOUS

Section 13.01. Term.

The covenants and restrictions of this Master Declaration shall run with and bind the Properties, and shall inure to the benefit of and be enforceable by the Master Association or the Owner of any land subject to this Master Declaration, their respective legal representatives, heirs, successors and assigns, for a term of fifty (50) years from the date this Master Declaration is Recorded, after which time such covenants, conditions, reservation of easements, equitable servitudes and restrictions shall be automatically extended for successive periods of ten (10) years, unless a Declaration of Termination meeting the requirements of an amendment to this Master Declaration as set forth in Section 13.02 of this Article has been Recorded.

Section 13.02. Amendments.

(a) By Declarant. Prior to the commencement of Common Assessments, the provisions of this Master Declaration may be amended or terminated by Recordation of a written instrument signed by Declarant setting forth such amendment or termination. Notwithstanding the foregoing, if an amendment to this Master Declaration is Recorded in order to divide the First Subdivision into more than one Phase of Development (and to therefore reallocate the assessment units charged to the First Subdivision pursuant to Section 6.05 hereto among such Phases of Development) and at the time such amendment is Recorded a Participating Builder is the Owner of the First Subdivision, then such amendment shall be signed by Declarant and such Participating Builder.

(b) By Members. The provisions of this Master Declaration, other than Articles II, IV, IX and XI and Section 13.02 of this Article XIII (which may not be amended without the written consent of Declarant until Close of Escrow for the sale of the last Lot or Condominium in the Properties and the Annexable Area from Declarant to a purchaser or a Participating Builder), may be amended by Recordation of a Certificate, signed and acknowledged by any two (2) officers of the Master Association, setting forth the amendment and certifying that such amendment has been approved by Delegates representing Sixty-seven (67%) Percent of the voting power of the Master Association and the requisite percentage of holders and insurers of first Mortgages, in the case of those amendments which this Master Declaration requires to be approved by first Mortgagees, and such an amendment shall be effective upon Recordation.

(c) Approval of First Mortgagees. Notwithstanding the foregoing, any of the following amendments, to be effective, must be approved by the record holders and insurers

3 9 7 4 0 3 0 0 2 6 2
of Seventy-five (75%) Percent of the first Mortgages at the time of such amendment, based upon one (1) vote for each Mortgage owned or insured:

(1) Any amendment which affects or purports to affect the validity or priority of encumbrances or the rights or protections granted to holders, insurers and guarantors of first Mortgages as provided in Articles VI, X, XI, XII, and XIII hereof.

(2) Any amendment which would necessitate an encumbrancer after it has acquired a Lot or Condominium through foreclosure to pay more than its proportionate share of any unpaid assessment or assessments accruing after such foreclosure.

(3) Any amendment which would or could result in an encumbrance being cancelled by forfeiture, or in the individual Lot or Condominium not being separately assessed for tax purposes.

(4) Any amendment relating to the insurance provisions as set out in Article XII hereof, or to the application of insurance proceeds as set out in Article XII hereof, or to the disposition of any money received in any taking under condemnation proceedings.

(5) Any amendment which would or could result in termination or abandonment of the Properties or partition or subdivision of a Lot or Condominium, in any manner inconsistent with the provision of this Master Declaration.

(6) Any amendment concerning:

(i) Voting rights;

(ii) Rights to use the Association Property;

(iii) Responsibility for maintenance, repair, and replacement of the Association Property;

(iv) Annexation or deannexation of real property to or from the Properties;

(v) Boundaries of any Lot or Condominiums;

(vi) Leasing of Lots or Condominiums;

(vii) Establishment of self-management by the Master Association where professional management has been required by any institutional holder or insurer of a first Mortgage; and

8 9 0 4 0 3 0 0 2 6 2

(viii) Any material amendment as defined in Section 402.02 of the FNMA Lending Guide (as amended from time to time).

Any approval by a holder, insurer or guarantor of a first Mortgage required under this Section 13.02(c), or required pursuant to any other provisions of this Master Declaration, shall be given in writing; provided that prior to any such proposed action, the Master Association or Declarant, as applicable, may give written notice of such proposed action to any or all holders, insurers and guarantors of first Mortgages, and for sixty (60) days following the receipt of such notice, such holder, insurer or guarantor of a first Mortgage shall have the power to disapprove such action by giving written notice to the Master Association or Declarant, as applicable. If no written notice of disapproval is received by the Master Association or Declarant, as applicable, within such sixty (60) day period, then the approval of such holder, insurer or guarantor shall be deemed given to the proposed action, and the Master Association or Declarant, as applicable, may proceed as if such approval was obtained with respect to the request contained in such notice.

A certificate, signed and sworn to by two (2) officers of the Master Association that Delegates representing Sixty-seven (67%) Percent of the Lots and Condominiums have voted for any amendment adopted as provided above, when Recorded, shall be conclusive evidence of that fact. The certificate reflecting any termination or amendment which requires a written consent of Declarant, or any of the record holders of first Mortgages shall include a certification that the requisite approval of Declarant or such holders of first Mortgages has been obtained or waived. The Master Association shall maintain in its files the record of all such votes and Mortgagee consent solicitations and disapprovals for a period of at least four (4) years.

Section 13.03. Mortgage Protection.

Notwithstanding any other provision of this Master Declaration, no amendment or violation of this Master Declaration shall operate to defeat or render invalid the rights of the Beneficiary under any Deed of Trust upon a Lot or Condominium made in good faith and for value, and Recorded prior to the Recordation of such amendment (or a notice of lien Recorded pursuant to Section 6.11), provided that after the foreclosure of any such Deed of Trust such Lot or Condominium shall remain subject to this Master Declaration, as amended. Notwithstanding any and all provisions of this Master Declaration to the contrary, in order to induce VA, FHA, FHLMC, GNMA, and FNMA to participate in the financing of the sale of Lots and Condominiums within the Properties, the following provisions are added hereto (and to the extent these added provisions, pertaining to the rights of Mortgagees, FHLMC, FNMA, GNMA, VA and FHA, conflict with any other provisions of this Master Declaration or any other of the Restrictions, these

added restrictions shall control):

(a) Each holder, insurer and guarantor of a first Mortgage encumbering any Lot or Condominium, upon filing a written request for notification with the Board, is entitled to written notification from the Master Association of any default by the Mortgagor of such Lot or Condominium in the performance of such Mortgagor's obligations under the Master Declaration, the Articles or the Bylaws, which default is not cured within thirty (30) days after the Master Association learns of such default. For purposes of this Master Declaration and the Bylaws, "first Mortgage" shall mean a Mortgage with first priority over other Mortgages or Deeds of Trust on a Lot or Condominium in the Properties, and "first Mortgagee" shall mean the holder of a first Mortgage.

(b) Every Owner, including every first Mortgagee of a Mortgage encumbering any Lot or Condominium, which obtains title to such Lot or Condominium pursuant to the remedies provided in such Mortgage, or pursuant to foreclosure of the Mortgage, or by deed (or assignment) in lieu of foreclosure, shall be exempt from any "right of first refusal" created or purported to be created by the Restrictions.

(c) Each first Mortgagee of a Mortgage encumbering any Lot or Condominium which obtains title to such Lot or Condominium pursuant to judicial foreclosure or the powers provided in such Mortgage shall take title to such Lot or Condominium free and clear of any claims for unpaid assessments or charges against such Lot or Condominium which accrued prior to the acquisition of title to such Lot or Condominium by the Mortgagee.

(d) When professional management has been previously required by a holder, insurer or guarantor of a first Mortgage, any decision to undertake self-management by the Master Association shall require the prior approval of Delegates representing Sixty-seven (67%) Percent of the voting power of the Master Association and the holders of Fifty-one (51%) Percent of the first Mortgages on Lots or Condominiums.

(e) Unless at least Sixty-seven (67%) Percent of the first Mortgagees (based upon one (1) vote for each Mortgage owned) or Sixty-seven (67%) Percent of the Owners (other than Declarant and Participating Builders) have given their prior written approval, neither the Master Association nor the Owners shall:

(1) subject to the provisions of the Nevada Nonprofit Corporation Law to the contrary, by act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Association Property or the Improvements thereon which are owned, directly

8 9 0 4 0 3 0 0 2 6 2

or indirectly, by the Master Association (the granting of easements for public utilities or for other public purposes consistent with the intended use of such property by the Master Association shall not be deemed a transfer within the meaning of this clause);

(2) change the method of determining obligations, assessments, dues or other charges which may be levied against any Owner, or the method of allocating distributions of hazard insurance proceeds or condemnation awards;

(3) by act or omission change, waive or abandon any scheme of regulations, or enforcement thereof, pertaining to the architectural design of the exterior appearance of the dwelling units on the Lots or Condominiums, the exterior maintenance of the dwelling units on the Lots or Condominiums, or the upkeep of lawns and plantings on the Association Property;

(4) fail to maintain Fire and Extended Coverage insurance on insurable Association Property on a current replacement cost basis in an amount as near as possible to One Hundred (100%) Percent of the insurable value (based on current replacement cost);

(5) use hazard insurance proceeds for losses to any Association Property for other than the repair, replacement or reconstruction of such Improvements; or

(6) amend this Master Declaration or the Articles of Incorporation or Bylaws of the Master Association in such a manner that the rights of any first Mortgagee will be adversely affected.

(f) All holders, insurers and guarantors of first Mortgages on Lots or Condominiums, upon written request, shall have the right to (1) examine the books and records of the Master Association during normal business hours, (2) require from the Master Association the submission of an audited annual financial statement (without expense to the holder, insurer or guarantor requesting such statement) and other financial data, (3) receive written notice of all meetings of the Members, and (4) designate in writing a representative to attend all such meetings.

(g) All holders, insurers and guarantors of first Mortgages of Lots or Condominiums shall be given (1) thirty (30) days written notice prior to the effective date of any proposed, material amendment to this Master Declaration or the Articles or Bylaws, and prior to the effective date of any termination of an agreement for professional management of the Properties following a

3 9 0 4 0 3 0 0 2 6 2
decision of the Owners to assume self-management of the Properties; and (2) immediate written notice as soon as the Board receives notice or otherwise learns of any damage to the Association Property whenever the cost of reconstruction exceeds Ten Thousand (\$10,000.00) Dollars, and as soon as the Board receives notice or otherwise learns of any condemnation or eminent domain proceedings or other proposed acquisition, with respect to any portion of the Properties.

(h) First Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any Association Property and may pay any overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for such property, and first Mortgagees making such payments shall be owed immediate reimbursement therefor from the Master Association.

(i) The Reserve Fund described in Article VI of this Master Declaration must be funded by regularly scheduled monthly, quarterly, semiannual or annual payments rather than by large special (irregular) assessments.

(j) The Board shall secure and cause to be maintained in force at all times a fidelity bond for any person or entity handling funds of the Master Association, including, but not limited to, employees of any professional Manager.

(k) Any agreement for the leasing or rental of a Lot or Condominium shall provide that the terms of such agreement shall be subject in all respects to the provisions of this Master Declaration, the Articles and the Bylaws. All such agreements shall be in writing and shall provide that any failure by the lessee to comply with the terms of this Master Declaration, the Articles and the Bylaws shall be a default under the agreement.

(l) In addition to the foregoing, the Board may enter into such contracts or agreements on behalf of the Master Association as are required in order to satisfy the guidelines of VA, FHA, FHLMC, FNMA or GNMA or any similar entity, so as to allow for the purchase, guaranty or insurance, as the case may be, by such entities of first Mortgages encumbering Lots or Condominiums with Residences thereon. Each Owner hereby agrees that it will benefit the Master Association and the membership of the Master Association, as a class of potential Mortgage borrowers and potential sellers of their respective Lots or Condominiums if such agencies approve the Properties as a qualifying community under their respective policies, rules and regulations, as adopted from time to time. Mortgagees are hereby authorized to furnish information to the Board concerning the status of any Mortgage encumbering a Lot or Condominium.

Section 13.04. Notices.

Any notice permitted or required to be delivered as provided herein shall be in writing and may be delivered either personally or by mail. If delivery is made by mail, it shall be deemed to have been delivered two (2) business days after a copy of the same has been deposited in the United States mail, postage prepaid, addressed to any Person at the address given by such Person to the Master Association for the purpose of service of such notice, or to the Lot or Condominium of such Person if no address has been given to the Master Association. Such address may be changed from time to time by notice in writing to the Master Association.

Section 13.05. Enforcement and Non-Waiver.

(a) Right of Enforcement. Except as otherwise expressly provided herein, the Master Association, the successors-in-interest of the Master Association and any Owner, including Declarant and Participating Builders (so long as Declarant or Participating Builders own a Lot or Condominium in the Properties), shall have the right to enforce any or all of the provisions of the Restrictions against any property within the Properties and the Owners thereof. Such right shall include an action for damages, as well as an action to enjoin any violation of the Restrictions. Each Owner shall have a right of action against the Master Association for its failure to comply with the Restrictions.

(b) Additional Declaration Enforcement. The Master Association may also commence and maintain actions and suits to restrain and enjoin any breach or threatened breach of the provisions of any applicable Additional Declaration and to enforce, by mandatory injunctions or otherwise, all of the provisions of any applicable Additional Declaration. If such an action is brought by the Master Association, the prevailing party shall be entitled to Court costs and reasonable attorneys' fees in accordance with subparagraph (h) below.

(c) Violations and Nuisance. Every act or omission whereby any provision of the Restrictions is violated in whole or in part is hereby declared to be a nuisance and every remedy allowed by law or equity against a nuisance, either public or private, shall be applicable against every such result and may be exercised by any Owner, by the Master Association, or its successors-in-interest.

(d) Violation of Law. Any violation of any state, municipal or local law, ordinance or regulation pertaining to the ownership, occupation or use of any Property within the Properties is hereby declared to be a violation of the Restrictions and subject to all of the enforcement procedures set forth in the Restrictions.

(e) Remedies Cumulative. Each remedy provided by the Restrictions is cumulative and not exclusive. The Master

8 9 0 4 0 3 0 0 2 6 2
Association may, at its option, without waiving the right to enforce its lien against the Lot or Condominium, bring a suit at law to enforce each assessment obligation.

(f) Non-Waiver. The failure of the Master Association to enforce any of the provisions of the Restrictions at any time shall not constitute a waiver of the right thereafter to enforce any such provision or any other provisions of the Restrictions.

(g) Mortgages. Any breach or amendment of the covenants, conditions or restrictions contained in the Restrictions shall not affect or impair the lien or charge of any first Mortgage or Deed of Trust made in good faith and for value on any Lot or Condominium or the Improvements thereon; provided, however that any subsequent Owner of such property shall be bound by such covenants, whether such Owner's title was acquired by foreclosure in a trustee's sale or otherwise.

(h) Attorneys' Fees. Any judgment rendered in any action or proceeding hereunder shall include a sum for attorneys' fees in such amount as the Court may deem reasonable, in favor of the prevailing party, as well as the amount of delinquent payment (if applicable), interest thereon, late charges (if any) and Court costs.

(i) Special Assessments. If any Member or his Family, guests, licensees, lessees or invitees violates the Restrictions, the Board may, after Notice and Hearing and in addition to the other remedies available, impose a reasonable Special Assessment upon such Owner for each violation and may, as further provided in the Bylaws, suspend or condition such Member's right to use any portion of the Association Property. Any such suspension or conditional suspension shall be for a period of not more than thirty (30) days for any noncontinuing infraction, but in the case of a continuing infraction (including nonpayment of any assessment after the same becomes delinquent) may be imposed for so long as the violation continues. The Board may also adopt a schedule of reasonable fines or penalties which, in its reasonable discretion, it may assess against any Owner for failure of a resident or or visitor to his Lot or Condominium to comply with any provision of the Restrictions, other than Article VI hereof. Such fines or penalties may only be assessed by the Board after Notice and Hearing.

Section 13.06. Interpretation.

(a) Restrictions Construed Together. All of the provisions of the Restrictions shall be liberally construed together to promote and effectuate the fundamental concepts of the Properties as set forth in the Preamble to this Master Declaration. The Restrictions shall be construed and governed by the Laws of the State of Nevada.

(b) Restrictions Severable. Notwithstanding the

8 9 0 4 0 3 0 0 2 6 2

provisions of the foregoing subparagraph (a), each of the provisions of the Restrictions shall be deemed independent and severable, and the invalidity or partial invalidity of any provision or portion thereof shall not affect the validity or enforceability of any other provision.

(c) Singular Includes Plural. Unless the context requires a contrary construction, the singular shall include the plural and the plural the singular; and the masculine, feminine or neuter shall each include the masculine, feminine and neuter.

(d) Captions. All captions and titles used in this Master Declaration are intended solely for convenience of reference and shall not affect that which is set forth in any of the provisions hereof.

Section 13.07. Reservation of Easements.

Declarant expressly reserves for the benefit of all of the Properties reciprocal easements for access, ingress and egress for all Owners to and from their respective Lots and Condominiums, for installation and repair of utility services; for encroachments of Improvements constructed by Declarant and Participating Builders or authorized by the Architectural Committee over the Association Property, for drainage of water over, across and upon adjacent Lots, Common Areas and the Association Property resulting from the normal use of adjoining Lots, Common Areas or Association Property and for necessary maintenance and repair of any Improvement. Such easements may be used by Declarant, its successors, purchasers, the Association, and all Owners, their guests, tenants and invitees, residing on or temporarily visiting the Properties, for pedestrian walkways, vehicular access and such other purposes reasonably necessary for the use and enjoyment of a Lot, Condominium, Common Areas or the Association Property.

Section 13.08. No Public Right of Dedication.

Nothing contained in this Master Declaration shall be deemed to be a gift or dedication of all or any part of the Properties to the public, or for any public use.

Section 13.09. Constructive Notice and Acceptance.

Every person who owns, occupies or acquires any right, title, estate or interest in or to any Lot or Condominium or other portion of the Properties does and shall be conclusively deemed to have consented and agreed to every limitation, restriction, easement, reservation, condition and covenant contained herein, whether or not any reference to this Master Declaration is contained in the instrument by which such person acquired an interest in the Properties, or any portion thereof.

Section 13.10. No Representations or Warranties.

No representations or warranties of any kind, express or implied, have been given or made by Declarant or its agents or employees in connection with the Properties or any portion of the Properties, or any Improvement thereon, its physical conditions, zoning, compliance with applicable laws, fitness for intended use, or in connection with the subdivision, sale, operation, maintenance, cost of maintenance, taxes or regulation thereof, except as specifically and expressly set forth in this Master Declaration and except as may be filed by Declarant from time to time with a governmental authority.

Section 13.11. Nonliability and Indemnification.

Except to the extent such liability, damage or injury is covered by any type of insurance, the Master Association's Officers, Directors, agents and employees, including members of the Architectural Committee, shall be indemnified by the Members and the Master Association against all expenses and liabilities, including attorneys' fees, reasonably incurred by or imposed upon any of them in connection with any proceeding to which any of them may be a party, or in which any of them may become involved, by reason of their being or having been an Officer, Director or employee of the Master Association, or any settlement thereof, whether or not they are an Officer, Director or employee at the time such expenses are incurred, except in such cases wherein such person is adjudged to have committed willful misfeasance or malfeasance in the performance of his duties.
