<p>4</p> <p>-4</p>	<p>“ Hello, My name is Tiffany and I work for a company called National Field Representatives. We are a field service company that completes occupancy verification inspections for banks and mortgage companies that have a vested interest in certain properties. We are trying to have our contractor complete an occupancy verification inspection at a property within your gated community called Vita Bella. I was hoping you would be able to help by giving us either a contact person that our contractor can contact when they are there to do the inspection or a gate code so that they can gain access. I really appreciate any help you have. Thanks so much, ” by Tiffany</p>
