Why Does Yelp Recommend Reviews?

We get millions of reviews from our users, so we use automated software to recommend the ones that are most helpful for the Yelp community. The software looks at dozens of different signals, including various measures of quality, reliability, and activity on Yelp. The process has nothing to do with whether a business advertises on Yelp or not. The reviews that currently don't make the cut are listed below and are not factored into this business's overall star rating. [Learn more here.](#)

For the past 1 1/2 years, Terra West has been Classics HOA's Management Company. Jeannie Redinger, Community Manager, has successfully led us through a challenging period with detailed attention to our Association records, ensuring all proper guidelines are followed in the decision making process, and her dedication, willingness and ability to work with Board members to understand and carry out their respective duties.

The Terra West IT Department has been exceptional in providing access to financial reports and the ability to approve invoices and e-sign checks on line, a proven time saver as the HOA's Treasurer.

Terra West has our highest recommendation without any reservation.

I am totally satisfied with the services provided by Terra West for the Miners Village community. Jeannie Redinger and Judee Southard run the Reno office, and they are amazing. They handle everything including financials, budget, architectural approvals and compliance, vendors, newsletter, website, and anything else that pertains to community management. They are knowledgable, friendly, efficient, and effective. I highly recommend Terra West , and in particular Jeannie and Judee, to any association that is looking to change management companies.
