The list is long as to why I rated them a 1. Most recently, they changed the gate code and box out. Now NONE of the residents "clickers" or car openers are working. Phone calls made and emails sent but it has not been fixed.

Terra West is the absolute worst Property Management. I live in a small community with 1 pool and they can never keep the pool open. Instead of coming up with solutions they want to close the pool for good. Security is a joke. Terra West needs to be out of business. They never want to fix the issues.

The community managers for Highgate Condos never return phone calls or emails. I even submitted a written letter & they ignored it. They also are not familiar with our community's CCRs. I guess they will respond when I file a formal complaint with the State of Nevada.

I'm hoping someone will please contact me and let me know why the HOA at manhattan condos refuses to fix any maintenance issues with the property. Things are constantly breaking and take several weeks to fix. Call boxes, key fob pads and light bulbs, you the little and easy things take weeks upon weeks to fix. I was hoping someone could explain to me why this issues take so long. Please contact me asap. Thank you
